SUBCHAPTER XXI—STATE CHILDREN'S  
HEALTH INSURANCE PROGRAM

**§ 1397aa. Purpose; State child health plans****(a) Purpose**

The purpose of this subchapter is to provide funds to States to enable them to initiate and expand the provision of child health assistance to uninsured, low-income children in an effective and efficient manner that is coordinated with other sources of health benefits coverage for children. Such assistance shall be provided primarily for obtaining health benefits coverage through—

(1) obtaining coverage that meets the requirements of section 1397cc of this title, or

(2) providing benefits under the State's Medicaid plan under subchapter XIX of this chapter,

or a combination of both.

**(b) State child health plan required**

A State is not eligible for payment under section 1397ee of this title unless the State has submitted to the Secretary under section 1397ff of this title a plan that—

(1) sets forth how the State intends to use the funds provided under this subchapter to provide child health assistance to needy children consistent with the provisions of this subchapter, and

(2) has been approved under section 1397ff of this title.

**(c) State entitlement**

This subchapter constitutes budget authority in advance of appropriations Acts and represents the obligation of the Federal Government to provide for the payment to States of amounts provided under section 1397dd of this title.

**(d) Effective date**

No State is eligible for payments under section 1397ee of this title for child health assistance for coverage provided for periods beginning before October 1, 1997.

**§ 1397bb. General contents of State child health plan; eligibility; outreach**

**(a) General background and description**

A State child health plan shall include a description, consistent with the requirements of this subchapter, of—

(1) the extent to which, and manner in which, children in the State, including targeted low-income children and other classes of children classified by income and other relevant factors, currently have creditable health coverage (as defined in section 1397jj(c)(2) of this title);

(2) current State efforts to provide or obtain creditable health coverage for uncovered children, including the steps the State is taking to identify and enroll all uncovered children who are eligible to participate in public health insurance programs and health insurance programs that involve public-private partnerships;

(3) how the plan is designed to be coordinated with such efforts to increase coverage of children under creditable health coverage;

(4) the child health assistance provided under the plan for targeted low-income children, including the proposed methods of delivery, and utilization control systems;

(5) eligibility standards consistent with subsection (b) of this section;

(6) outreach activities consistent with subsection (c) of this section; and

(7) methods (including monitoring) used—

(A) to assure the quality and appropriateness of care, particularly with respect to well-baby care, well-child care, and immunizations provided under the plan, and

(B) to assure access to covered services, including emergency services and services described in section 1397cc(c)(5) of this title.

**(b) General description of eligibility standards and methodology**

**(1) Eligibility standards**

**(A) In general**

The plan shall include a description of the standards used to determine the eligibility of targeted low-income children for child health assistance under the plan. Such standards may include (to the extent consistent with this subchapter) those relating to the geographic areas to be served by the plan, age, income and resources (including any standards relating to spenddowns and disposition of resources), residency, disability status (so long as any standard relating to such status does not restrict eligibility), access to or coverage under other health coverage, and duration of eligibility. Such standards may not discriminate on the basis of diagnosis.

**(B) Limitations on eligibility standards**

Such eligibility standards—

(i) shall, within any defined group of covered targeted low-income children, not cover such children with higher family in-

come without covering children with a lower family income;

(ii) may not deny eligibility based on a child having a preexisting medical condition;

(iii) may not apply a waiting period (including a waiting period to carry out paragraph (3)(C)) in the case of a targeted low-income pregnant woman provided pregnancy-related assistance under section 1397ll of this title;

(iv) at State option, may not apply a waiting period in the case of a child provided dental-only supplemental coverage under section 1397jj(b)(5) of this title; and

(v) shall, beginning January 1, 2014, use modified adjusted gross income and household income (as defined in section 36B(d)(2) of the Internal Revenue Code of 1986) to determine eligibility for child health assistance under the State child health plan or under any waiver of such plan and for any other purpose applicable under the plan or waiver for which a determination of income is required, including with respect to the imposition of premiums and cost-sharing, consistent with section 1396a(e)(14) of this title.

**(2) Methodology**

The plan shall include a description of methods of establishing and continuing eligibility and enrollment.

**(3) Eligibility screening; coordination with other health coverage programs**

The plan shall include a description of procedures to be used to ensure—

(A) through both intake and followup screening, that only targeted low-income children are furnished child health assistance under the State child health plan;

(B) that children found through the screening to be eligible for medical assistance under the State medicaid plan under subchapter XIX of this chapter are enrolled for such assistance under such plan;

(C) that the insurance provided under the State child health plan does not substitute for coverage under group health plans;

(D) the provision of child health assistance to targeted low-income children in the State who are Indians (as defined in section 1603(c)<sup>1</sup> of title 25); and

(E) coordination with other public and private programs providing creditable coverage for low-income children.

**(4) Reduction of administrative barriers to enrollment**

**(A) In general**

Subject to subparagraph (B), the plan shall include a description of the procedures used to reduce administrative barriers to the enrollment of children and pregnant women who are eligible for medical assistance under subchapter XIX or for child health assistance or health benefits coverage under this subchapter. Such procedures shall be established and revised as often as the State de-
