§ 8454. Study of compliance problem of small electric utility systems

(a) Study

The Secretary shall conduct a study of the problems of compliance with this chapter experienced by those electric utility systems which have a total system generating capacity of less than 2,000 megawatts. The Secretary shall report his findings and his recommendations to the Congress not later than 2 years after the effective date of this chapter.

(b) Authorization of appropriations

There is authorized to be appropriated to the Secretary for the fiscal year 1979 not to exceed \$500,000 to carry out the provisions of this section.

§ 8456. Socioeconomic impacts of increased coal production and other energy development

(a) Committee

There is hereby established an interagency committee composed of the heads of the Departments of Energy, Commerce, Interior, Transportation, Housing and Urban Development, and Health and Human Services, the Environmental Protection Agency, the Appalachian Regional Commission, the Farmers' Home Administration, the Office of Management and Budget, and such other Federal agencies as the Secretary shall designate. In carrying out its functions the committee shall consult with the National Governors' Conference and interested persons, organizations, and entities. The chairman of the committee shall be designated by the President. The committee shall terminate 90 days after the submission of its report under subsection (c) of this section.

(b) Functions of committee

It is the function of the committee to conduct a study of the socioeconomic impacts of expanded coal production and rapid energy development in general, on States, including local communities, and on the public, including the

adequacy of housing and public, recreational, and cultural facilities for coal miners and their families and the effect of any Federal or State laws or regulations on providing such housing and facilities. The committee shall gather data and information on—

(1) the level of assistance provided under this chapter and any other programs related to impact assistance,

(2) the timeliness of assistance in meeting impacts caused by Federal decisions on energy policy as well as private sector decisions, and

(3) the obstacles to effective assistance contained in regulations of existing programs related to impact assistance.

(c) Report

Within 1 year after the effective date of this chapter, the committee shall submit a detailed report on the results of such study to the Congress, together with any recommendations for additional legislation it may consider appropriate.

§ 8457. Use of petroleum and natural gas in combustors

The Secretary shall conduct a detailed study of the uses of petroleum and natural gas as a primary energy source for combustors and installations not subject to the prohibitions of this chapter. In conducting such study, the Secretary shall—

(1) identify those categories of major fuel-burning installations in which the substitution of coal or other alternate fuels for petroleum and natural gas is economically and technically feasible, and

(2) determine the estimated savings of natural gas and petroleum expected from such substitution.

Within 1 year after the effective date of this chapter, the Secretary shall submit a detailed report on the results of such study to the Congress, together with any recommendations for legislation he may consider appropriate.
