§ 390jj. Water conservation

(a) Implementation of program by non-Federal recipients

The Secretary shall, pursuant to his authorities under otherwise existing Federal reclamation law, encourage the full consideration and incorporation of prudent and responsible water conservation measures in the operations of non-Federal recipients of irrigation water from Federal reclamation projects, where such measures are shown to be economically feasible for such non-Federal recipients.

(b) Development of plan

Each district that has entered into a repayment contract or water service contract pursuant to Federal reclamation law or the Water Supply Act of 1958, as amended (43 U.S.C. 390b), shall develop a water conservation plan which shall contain definite goals, appropriate water conservation measures, and a time schedule for meeting the water conservation objectives.

(c) Coordination of ongoing programs; full public participation

The Secretary is authorized and directed to enter into memorandums of agreement with those Federal agencies having capability to assist in implementing water conservation measures to assure coordination of ongoing programs. Such memorandums should provide for involvement of non-Federal entities such as States, Indian tribes, and water user organizations to assure full public participation in water conservation efforts.

§ 390ll. Corps of Engineers projects

(a) Applicability of Federal reclamation laws

Notwithstanding any other provision of law, neither the ownership or pricing limitation provisions nor the other provisions of Federal reclamation law, including this subchapter, shall be applicable to lands receiving benefits from Federal water resources projects constructed by the United States Army Corps of Engineers, unless—

(1) the project has, by Federal statute, explicitly been designated, made a part of, or integrated with a Federal reclamation project; or

(2) the Secretary, pursuant to his authority under Federal reclamation law, has provided project works for the control or conveyance of an agricultural water supply for the lands involved.

(b) Payment of construction, operation, maintenance and administrative costs allocated to conservation or irrigation storage

Notwithstanding any other provision of this section to the contrary, obligations that require water users, pursuant to contracts with the Secretary, to repay the share of construction costs and to pay the share of the operation and maintenance and contract administrative costs of a Corps of Engineers project which are allocated to conservation storage or irrigation storage shall remain in effect.

§ 390mm. Repayment of construction charges

(a) Ownership and pricing limitations inapplicable when repayment obligation has been discharged

The ownership and full cost pricing limitations of this subchapter and the ownership limitations provided in any other provision of Federal reclamation law shall not apply to lands in a district after the obligation of a district for the repayment of the construction costs of the project facilities used to make project water available for delivery to such lands shall have been discharged by a district (or by a person within the district pursuant to a contract existing on October 12, 1982), by payment of periodic installments throughout a specified contract term, including individual or district accelerated payments where so provided in contracts existing on October 12, 1982.

(b) Certification of freedom from ownership and pricing limitations

(1) The Secretary shall provide, upon request of any owner of a landholding for which repay-

ment has occurred, a certificate acknowledging that the landholding is free of the ownership or full cost pricing limitation of Federal reclamation law. Such certificate shall be in a form suitable for entry in the land records of the county in which such landholding is located.

(2) Any certificate issued by the Secretary prior to October 12, 1982, acknowledging that the landholding is free of the acreage limitation of Federal reclamation law is hereby ratified.

(c) Lump sum or accelerated repayment of construction costs

Nothing in this subchapter shall be construed as authorizing or permitting lump sum or accelerated repayment of construction costs, except in the case of a repayment contract which is in effect upon October 12, 1982, and which provides for such lump sum or accelerated repayment by an individual or district.

AMENDMENTS

1987—Pub. L. 100-203 designated existing provisions as subsec. (a) and added subsec. (b).

§ 390oo. Temporary supplies of water

(a) Limitations inapplicable

Neither the ownership limitations of this subchapter nor the ownership limitations of any other provision of Federal reclamation law shall apply to lands which receive only a temporary, not to exceed one year, supply of water made possible as a result of—

(1) an unusually large water supply not otherwise storable for project purposes; or

(2) infrequent and otherwise unmanaged flood flows of short duration.

(b) Waiver of payment for temporary water supplies

The Secretary shall have the authority to waive payments for a supply of water described in subsection (a).
