AMENDMENTS

1973—Subsec. (g). Pub. L. 93-153 inserted provisions covering advance payments into the Alaska Native Fund pursuant to section 407 of the Trans-Alaska Pipeline Authorization Act and the reimbursement of the United States Treasury for payments made.

ADVANCE PAYMENTS TO ALASKA NATIVES UNTIL COMMENCEMENT OF DELIVERIES OF NORTH SLOPE CRUDE OIL TO PIPELINE

Section 407(a) of Pub. L. 93-153 authorized \$5,000,000 to be paid from the United States Treasury to the Alaska Native Fund every six months of each fiscal year beginning with the fiscal year ending June 30, 1976, as advance payments chargeable against revenues paid under this section until delivery of North Slope crude oil to a pipeline commenced.

§ 1609. Limitation of actions

(a) **Complaint, time for filing; jurisdiction; commencement by State official; certainty and finality of vested rights, titles, and interests**

Notwithstanding any other provision of law, any civil action to contest the authority of the United States to legislate on the subject matter or the legality of this chapter shall be barred unless the complaint is filed within one year of December 18, 1971, and no such action shall be entertained unless it is commenced by a duly authorized official of the State. Exclusive jurisdiction over such action is hereby vested in the United States District Court for the District of Alaska. The purpose of this limitation on suits is to insure that, after the expiration of a reasonable period of time, the right, title, and interest of the United States, the Natives, and the State of Alaska will vest with certainty and finality and may be relied upon by all other persons in their relations with the State, the Natives, and the United States.

(b) **Land selection; suspension and extension of rights**

In the event that the State initiates litigation or voluntarily becomes a party to litigation to contest the authority of the United States to legislate on the subject matter or the legality of this chapter, all rights of land selection granted to the State by the Alaska Statehood Act shall be suspended as to any public lands which are determined by the Secretary to be potentially valuable for mineral development, timber, or other commercial purposes, and no selections shall be made, no tentative approvals shall be granted, and no patents shall be issued for such lands during the pendency of such litigation. In the event of such suspension, the State's right of land selection pursuant to section 6 of the Alaska Statehood Act shall be extended for a period of time equal to the period of time the selection right was suspended.
