

to the Act, withdrawn for Native selection pursuant to the Settlement Act shall be deposited in an escrow account which shall be held by the Secretary until lands selected pursuant to that Act have been conveyed to the selecting Corporation or individual entitled to receive benefits under such Act.

“(2) Such proceeds which were received, if any, subsequent to the date of withdrawal of the land for selection, but were not deposited in the escrow account shall be identified by the Secretary within two years of the date of conveyance or this Act [probably means Dec. 2, 1980], whichever is later, and shall be paid, together with interest payable on the proceeds from the date of receipt by the United States to the date of payment to the appropriate Corporation or individual to which the land was conveyed by the United States: *Provided*, That the interest on proceeds received prior to January 2, 1976, shall be calculated and paid at the rate of the earnings on Individual Indian Moneys in the custody of the Secretary of the Interior pursuant to sections 463 and 465 of the Revised Statutes (25 U.S.C. 2 and 9) and invested by him pursuant to the Act of June 24, 1938 (25 U.S.C. 162a), from the date of receipt to January 2, 1976. Effective January 2, 1976, the interest so calculated shall be added to the principal amount of such proceeds. The interest on this total amount and on proceeds received on or after January 2, 1976, shall be calculated and paid as though such proceeds and previously calculated interest had been deposited in the escrow account from January 2, 1976, or the date of receipt, whichever occurs later, to the date of payment to the affected Corporation.[:] *Provided further*, That any rights of a Corporation or individual under this section to such proceeds shall be limited to proceeds actually received by the United States plus interest: *And provided further*, That moneys for such payments have been appropriated as provided in subsection (e) of this section.

“(3) Such proceeds which have been deposited in the escrow account shall be paid, together with interest accrued by the Secretary to the appropriate Corporation or individual upon conveyance of the particular withdrawn lands. In the event that a conveyance does not cover all of the land embraced within any contract, lease, license, permit, right-of-way, easement, or trespass, the Corporation or individual shall only be entitled to the proportionate amount of the proceeds, including interest accrued, derived from such contract, lease, license, permit, right-of-way, or easement, which results from multiplying the total of such proceeds, including interest accrued, by a fraction in which the numerator is the acreage of such contract, lease, license, permit, right-of-way, or easement which is included in the conveyance and the denominator is the total acreage contained in such contract, lease, license, permit, right-of-way, or easement; in the case of trespass, the conveyee shall be entitled to the proportionate share of the proceeds, including a proportionate share of interest accrued, in relation to the damages occurring on the respective lands during the period the lands were withdrawn for selection.

“(4) Such proceeds which have been deposited in the escrow account pertaining to lands withdrawn but not selected pursuant to such Act [this chapter], or selected but not conveyed due to rejection or relinquishment of the selection, shall be paid, together with interest accrued, as would have been required by law were it not for the provisions of this Act [enacting sections 1625 to 1627 of this title, amending sections 1615, 1616, 1620, and 1621 of this title, and enacting provisions set out as notes under sections 1604, 1605, 1611, 1613, 1618, and 1625 of this title].

“(5) Lands withdrawn under this subsection include all Federal lands identified under appendices A, B-1, and B-2 of the document referred to in section 12 of the Act of January 2, 1976 (Public Law 94-204) [set out as a note under section 1611 of this title] for Cook Inlet Region, Incorporated, and are deemed withdrawn as of the date established in subsection (a) of section 2 of the Act of January 2, 1976 [this subsection].

“(b) The Secretary is authorized to deposit in the Treasury of the United States the escrow account proceeds referred to in subsection (a) of this section, and the United States shall pay interest thereon semiannually from the date of deposit to the date of payment with simple interest at the rate determined by the Secretary of the Treasury to be the rate payable on short-term obligations of the United States prevailing at the time of payment: *Provided*, That the Secretary in his discretion may withdraw such proceeds from the United States Treasury and reinvest such proceeds in the manner provided by the first section of the Act of June 24, 1938 (52 U.S.C. 1037) [section 162a of Title 25, Indians]: *Provided further*, That this section shall not be construed to create or terminate any trust relationship between the United States and any corporation or individual entitled to receive benefits under the Settlement Act [this chapter].

“(c) Any and all proceeds from public easements reserved pursuant to section 17(b)(3) of the Settlement Act [section 1616(b)(3) of this title], from or after the date of enactment of this Act [Jan. 2, 1976], shall be paid to the grantee of such conveyance in accordance with such grantee's proportionate share.

“(d) To the extent that there is a conflict between the provisions of this section and any other Federal laws applicable to Alaska, the provisions of this section will govern. Any payment made to any corporation or any individual under authority of this section shall not be subject to any prior obligation under section 9(d) or 9(f) of the Settlement Act [section 1608(d) or section 1608(f) of this title].

“(e) The Secretary shall calculate the amounts payable pursuant to this section and notify the affected Corporation of the results of his calculations. The affected Corporation shall have thirty days in which to appeal the Secretary's calculations after which the Secretary shall promptly make a final determination of the amounts payable. The Secretary shall certify such final determinations to the Secretary of the Treasury and each determination shall constitute a final judgment, award, or compromise settlement under section 1304 of title 31 of the United States Code. The Secretary of the Treasury is authorized and directed to pay such amounts to the appropriate Corporation out of funds in the Treasury: *Provided*, That if the lands from which the proceeds and interest entitlement are derived have not been conveyed to the selecting Native Corporation at the time the Secretary makes his final determination, the Secretary of the Treasury is authorized and directed to pay such amount into the escrow account where it will earn interest and be disbursed in the same manner as other proceeds and interest.”

### § 1614. Timber sale contracts; modification; timber from contingency area

(a) Notwithstanding the provisions of existing National Forest timber sale contracts that are directly affected by conveyances authorized by this chapter, the Secretary of Agriculture is authorized to modify any such contract, with the consent of the purchaser, by substituting, to the extent practicable, timber on other national forest lands approximately equal in volume, species, grade, and accessibility for timber standing on any land affected by such conveyances, and, on request of the appropriate Village Corporation the Secretary of Agriculture is directed to make such substitution to the extent it is permitted by the timber sale contract without the consent of the purchaser.

(b) No land conveyed to a Native Corporation pursuant to this chapter or by operation of the Alaska National Interest Lands Conservation Act which is within a contingency area designated in a timber sale contract let by the United States shall thereafter be subject to such contract or to entry or timbering by the contractor. Until a Native Corporation has received conveyances to all of the land to which it is entitled to receive under the appropriate section or subsection of this chapter, for which the land was withdrawn or selected, no land in such a contingency area that has been withdrawn and selected, or selected, by such Corporation under this chapter shall be entered by the timber contractor and no timber shall be cut thereon, except by agreement with such Corporation. For purposes of this subsection, the term “contingency area” means any area specified in a timber sale contract as an area from which the timber contractor may harvest timber if the volume of timber specified in the contract cannot be obtained from one or more areas definitely designated for timbering in the contract.
