

by this title, but such proceedings or applications, to the extent that they relate to functions transferred, shall be continued in accord with transition guidelines promulgated by the Administrator of the Federal Aviation Administration under the authority of this section. Orders issued in any such proceedings shall continue in effect until modified, terminated, superseded, or revoked by the Administrator of the Federal Aviation Administration, by a court of competent jurisdiction, or by operation of law. Nothing in this subsection prohibits the discontinuance or modification of any such proceeding under the same terms and conditions and to the same extent that such proceeding could have been discontinued or modified if this title had not been enacted.

“(2) TRANSITION GUIDELINES.—The Secretary of Commerce, the Administrator of the National Oceanic and Atmospheric Administration, and the Administrator of the Federal Aviation Administration are authorized to issue transition guidelines providing for the orderly transfer of proceedings and otherwise to accomplish the orderly transfer of functions, personnel and property under this title.

“(c) CONTINUED EFFECTIVENESS OF JUDICIAL ACTIONS.—No cause of action by or against the Department of Commerce or the National Oceanic and Atmospheric Administration with respect to functions transferred by this title, or by or against any officer thereof in the official’s capacity, shall abate by reason of the enactment of this title. Causes of action and actions with respect to a function or office transferred by this title, or other proceedings may be asserted by or against the United States or an official of the Federal Aviation Administration, as may be appropriate, and, in an action pending when this title takes effect, the court may at any time, on its own motion or that of any party, enter an order that will give effect to the provisions of this subsection.

“(d) SUBSTITUTION OR ADDITION OF PARTIES TO JUDICIAL ACTIONS.—If, on the date of transfer, the Department of Commerce or the National Oceanic and Atmospheric Administration, or any officer of the Department or Administration in an official capacity, is a party to an action, and under this title any function relating to the action of the Department, Administration, or officer is transferred to the Federal Aviation Administration, then such action shall be continued with the Administrator of the Federal Aviation Administration substituted or added as a party.

“(e) CONTINUED JURISDICTION OVER ACTIONS TRANSFERRED.—Orders and actions of the Administrator of the Federal Aviation Administration in the exercise of functions transferred by this title shall be subject to judicial review to the same extent and in the same manner as if such orders and actions had been by the Department of Commerce or the National Oceanic and Atmospheric Administration, or any office or officer of such Department or Administration, in the exercise of such functions immediately preceding their transfer.

“(f) LIABILITIES AND OBLIGATIONS.—The Administrator of the Federal Aviation Administration shall assume all liabilities and obligations (tangible and incorporeal, present and executory) associated with the functions transferred under this title on the date of transfer, including leases, permits, licenses, contracts, agreements, claims, tariffs, accounts receivable, accounts payable, financial assistance, and litigation relating to such obligations, regardless whether judgment has been entered, damages awarded, or appeal taken.”

TRANSFER OF FUNCTIONS

Pub. L. 106–181, title VI, §601, Apr. 5, 2000, 114 Stat. 149, provided that: “Effective October 1, 2000, there are transferred to the Federal Aviation Administration and vested in the Administrator the functions, powers, and duties of the Secretary of Commerce and other officers of the Department of Commerce that relate to the Office of Aeronautical Charting and Cartography and are set forth in section 44721 of title 49, United States Code.”

TRANSFER OF OFFICE, PERSONNEL, AND FUNDS

Pub. L. 106–181, title VI, §602, Apr. 5, 2000, 114 Stat. 149, provided that:

“(a) TRANSFER OF OFFICE.—Effective October 1, 2000, the Office of Aeronautical Charting and Cartography of the National Oceanic and Atmospheric Administration, Department of Commerce, is transferred to the Federal Aviation Administration.

“(b) OTHER TRANSFERS.—Effective October 1, 2000, the personnel employed in connection with, and the assets, liabilities, contracts, property, equipment, facilities, records, and unexpended balance of appropriations, and other funds employed, held, used, arising from, available to, or to be made available in connection with the function and offices, or portions of offices, transferred by this title [amending this section, sections 883b and 883e of Title 33, Navigation and Navigable Waters, and section 1307 of Title 44, Public Printing and Documents, and enacting provisions set out as notes under this section], including all Senior Executive Service positions, subject to section 1531 of title 31, United States Code, are transferred to the Administrator of the Federal Aviation Administration for appropriate allocation. Personnel employed in connection with functions transferred by this title transfer under any applicable law and regulation relating to transfer of functions. Unexpended funds transferred under this section shall be used only for the purposes for which the funds were originally authorized and appropriated, except that funds may be used for expenses associated with the transfer authorized by this title.”

PROCUREMENT OF PRIVATE ENTERPRISE MAPPING, CHARTING, AND GEOGRAPHIC INFORMATION SYSTEMS

Pub. L. 106–181, title VI, §607, Apr. 5, 2000, 114 Stat. 154, provided that: “The Administrator [of the Federal Aviation Administration] shall consider procuring mapping, charting, and geographic information systems necessary to carry out the duties of the Administrator under title 49, United States Code, from private enterprises, if the Administrator determines that such procurement furthers the mission of the Federal Aviation Administration and is cost effective.”

§ 44722. Aircraft operations in winter conditions

The Administrator of the Federal Aviation Administration shall prescribe regulations requiring procedures to improve safety of aircraft operations during winter conditions. In deciding on the procedures to be required, the Administrator shall consider at least aircraft and air traffic control modifications, the availability of different types of deicing fluids (considering their efficacy and environmental limitations), the types of deicing equipment available, and the feasibility and desirability of establishing timeframes within which deicing must occur under certain types of inclement weather.

44722	49:1421 (note).	Oct. 31, 1992, Pub. L. 102–581, §124, 106 Stat. 4885.

The words “Before November 1, 1992” are omitted as obsolete. The words “prescribe regulations requiring” are substituted for “require, by regulation”, and the words “other factors the Administrator considers appropriate” are substituted for “among other things”, for consistency in the revised title.

§ 44723. Annual report

Not later than January 1 of each year, the Secretary of Transportation shall submit to Congress a comprehensive report on the safety enforcement activities of the Federal Aviation Administration during the fiscal year ending the prior September 30th. The report shall include—

(1) a comparison of end-of-year staffing levels by operations, maintenance, and avionics inspector categories to staffing goals and a statement on how staffing standards were applied to make allocations between air carrier and general aviation operations, maintenance, and avionics inspectors;

(2) schedules showing the range of inspector experience by various inspector work force categories, and the number of inspectors in each of the categories who are considered fully qualified;

(3) schedules showing the number and percentage of inspectors who have received mandatory training by individual course, and the number of inspectors by work force categories, who have received all mandatory training;

(4) a description of the criteria used to set annual work programs, an explanation of how these criteria differ from criteria used in the prior fiscal year and how the annual work programs ensure compliance with appropriate regulations and safe operating practices;

(5) a comparison of actual inspections performed during the fiscal year to the annual work programs by field location and, for any field location completing less than 80 percent of its planned number of inspections, an explanation of why annual work program plans were not met;

(6) a statement of the adequacy of Administration internal management controls available to ensure that field managers comply with Administration policies and procedures, including those on inspector priorities, district office coordination, minimum inspection standards, and inspection followup;

(7) the status of efforts made by the Administration to update inspector guidance documents and regulations to include technological, management, and structural changes taking place in the aviation industry, including a listing of the backlog of all proposed regulatory amendments;

(8) a list of the specific operational measures of effectiveness used to evaluate—

- (A) the progress in meeting program objectives;
- (B) the quality of program delivery; and
- (C) the nature of emerging safety problems;

(9) a schedule showing the number of civil penalty cases closed during the 2 prior fiscal years, including the total initial and final penalties imposed, the total number of dollars collected, the range of dollar amounts collected, the average case processing time, and the range of case processing time;

(10) a schedule showing the number of enforcement actions taken (except civil penalties) during the 2 prior fiscal years, including the total number of violations cited, and the number of cited violation cases closed by

certificate suspensions, certificate revocations, warnings, and no action taken; and

(11) schedules showing the safety record of the aviation industry during the fiscal year for air carriers and general aviation, including—

(A) the number of inspections performed when deficiencies were identified compared with inspections when no deficiencies were found;

(B) the frequency of safety deficiencies for each air carrier; and

(C) an analysis based on data of the general status of air carrier and general aviation compliance with aviation regulations.

In clauses (4) and (7), the word “regulations” is substituted for “Federal regulations” for consistency in the revised title.

In clause (5), the words “by field location” are substituted for “disaggregated to the field locations” for clarity.

In clause (8), before subclause (A), the words “‘best proxies’ standing between the ultimate goal of accident prevention and ongoing program activities” are omitted as surplus.

In clause (9), the words “penalties imposed” are substituted for “assessments” for consistency in the revised title and with other titles of the United States Code.

In clause (11)(C), the words “aviation regulations” are substituted for “Federal Aviation Regulations” for consistency in the revised title.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of reporting provisions in this section, see section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, the 22nd item on page 132 and the 10th item on page 135 of House Document No. 103-7.

§ 44724. Manipulation of flight controls

(a) PROHIBITION.—No pilot in command of an aircraft may allow an individual who does not hold—

(1) a valid private pilots certificate issued by the Administrator of the Federal Aviation Administration under part 61 of title 14, Code of Federal Regulations; and

(2) the appropriate medical certificate issued by the Administrator under part 67 of such title,

to manipulate the controls of an aircraft if the pilot knows or should have known that the individual is attempting to set a record or engage in an aeronautical competition or aeronautical feat, as defined by the Administrator.

(b) REVOCATION OF AIRMEN CERTIFICATES.—The Administrator shall issue an order revoking a certificate issued to an airman under section 44703 of this title if the Administrator finds that while acting as a pilot in command of an air-
