§ 8714a. Optional insurance

(a) Under the conditions, directives, and terms specified in sections 8709-8712 of this title, the Office of Personnel Management, without regard to section 6101(b) to (d) of title 41, may purchase a policy which shall make available to each insured employee equal amounts of optional life insurance and accidental death and dismemberment insurance in addition to the amounts provided in section 8704(a) of this title.

(b)(1) An employee who is deployed in support of a contingency operation (as that term is de-

fined in section 101(a)(13) of title 10) or an employee of the Department of Defense who is designated as emergency essential under section 1580 of title 10 shall be insured under the policy of insurance under this section if the employee, within 60 days after the date of notification of deployment or designation, elects to be insured under the policy of insurance. An election under this paragraph shall be effective when provided to the Office in writing, in the form prescribed by the Office, within such 60-day period.

(2) The optional life insurance and accidental death and dismemberment insurance shall be made available to each insured employee under such conditions as the Office shall prescribe and in amounts approved by the Office but not more than the greater of \$10,000 or an amount which, when added to the amount provided in section 8704(a) of this title, makes the sum of his insurance equal to his annual pay.

(c)(1) Except as otherwise provided in this subsection, the optional insurance on an employee stops on his separation from service or 12 months after discontinuance of his pay, whichever is earlier, subject to a provision for temporary extension of life insurance coverage and for conversion to an individual policy of life insurance under conditions approved by the Office.

(2)(A) In the case of any employee who retires on an immediate annuity and has been insured under this section throughout—

- (i) the 5 years of service immediately preceding the date of such retirement, or
- (ii) the full period or periods of service during which the employee was entitled to be insured, if less than 5 years,

the amount of optional life insurance only which has been in force throughout such period may be continued, under conditions determined by the Office.

(B) In the case of any employee who becomes entitled to receive compensation under subchapter I of chapter 81 of this title because of disease or injury to the employee and has been insured under this section throughout—

- (i) the 5 years of service immediately preceding the date such employee becomes entitled to such compensation, or
- (ii) the full period or periods of service during which the employee was entitled to be insured, if less than 5 years,

the amount of optional life insurance only which has been in force throughout such period may be continued, under conditions determined by the Office, during the period the employee is receiving such compensation for disease or injury and is held by the Secretary of Labor or his delegate to be unable to return to duty.

(C) The amount of optional life insurance continued under subparagraph (A) or subparagraph (B) of this paragraph shall be reduced by 2 percent at the end of each full calendar month after the date the employee becomes 65 years of age and is retired or is receiving compensation for disease or injury. The Office shall prescribe minimum amounts, not less than 25 percent of the amount of life insurance in force before the first reduction, to which the insurance may be reduced.

(3) Notwithstanding paragraph (c)(1) of this section,¹ a justice or judge of the United States as defined by section 8701(a)(5) of this title who resigns his office without meeting the requirements of section 371(a) of title 28, United States Code, for continuation of the judicial salary shall have the right to convert regular optional life insurance coverage issued under this section during his judicial service to an individual policy of life insurance under the same conditions approved by the Office governing conversion of basic life insurance coverage for employees eligible as provided in section 8706(a) of this title.

(d)(1) During each period in which an employee has the optional insurance the full cost thereof shall be withheld from his pay. During each period in which an employee continues optional life insurance after retirement or while in receipt of compensation for work injuries, as provided in section 8706(b) of this title, the full cost thereof shall be withheld from his annuity or compensation, except that, at the end of the calendar month in which he becomes 65 years of age, the optional life insurance shall be without cost to him. Amounts so withheld shall be deposited, used, and invested as provided in section 8714 of this title and shall be reported and accounted for separately from amounts withheld and contributed under sections 8707 and 8708 of this title.

(2) If an agency fails to withhold the proper cost of optional insurance from an individual's salary, compensation, or retirement annuity, the collection of amounts properly due may be waived by the agency if, in the judgment of the agency, the individual is without fault and recovery would be against equity and good conscience. However, if the agency so waives the collection of any unpaid amount, the agency shall submit an amount equal to the uncollected amount to the Office for deposit to the Employees' Life Insurance Fund.

(3) Notwithstanding paragraph (1), an employee who is subject to withholdings under this subsection and whose pay, annuity, or compensation is insufficient to cover such withholdings may nevertheless continue optional insurance if the employee arranges to pay currently into the Employees' Life Insurance Fund, through the agency or retirement system which administers pay, annuity, or compensation, an amount equal to the withholdings that would otherwise be required under this subsection.

(e) The cost of the optional insurance shall be determined from time to time by the Office on the basis of such age groups as it considers appropriate.

(f) The amount of optional life, or life and accidental death, insurance in force on an employee at the date of his death shall be paid as provided in section 8705 of this title.

Pub. L. 96-427, §11, Oct. 10, 1980, 94 Stat. 1838, provided that: "Amounts credited to the Employees' Life Insurance Fund under section 8714a(d) of title 5, United States Code shall be available for expenses incurred by the Office of Personnel Management in implementing the amendments made by sections 7 and 8 of this Act [enacting sections 8714b, 8714c, and 8701(d) of this title]."

§ 8714b. Additional optional life insurance

(a) Under the conditions, directives, and terms specified in sections 8709 through 8712 of this title, the Office of Personnel Management, without regard to section 6101(b) to (d) of title 41, may purchase a policy which shall make available to each employee insured under section 8702 of this title amounts of additional optional life insurance (without accidental death and dismemberment insurance). An employee may elect coverage under this section without regard to whether the employee has elected coverage under optional insurance available under section 8714a of this title.

(b)(1) An employee who is deployed in support of a contingency operation (as that term is defined in section 101(a)(13) of title 10) or an employee of the Department of Defense who is designated as emergency essential under section 1580 of title 10 shall be insured under the policy of insurance under this section if the employee, within 60 days after the date of notification of deployment or designation, elects to be insured under the policy of insurance. An election under this paragraph shall be effective when provided to the Office in writing, in the form prescribed by the Office, within such 60-day period.

(2) The additional optional insurance provided under this section shall be made available to each eligible employee who has elected coverage under this section, under conditions the Office shall prescribe, in multiples, at the employee's election, of 1, 2, 3, 4, or 5 times the annual rate of basic pay payable to the employee (rounded to the next higher multiple of \$1,000). An employee may reduce or stop coverage elected pursuant to this section at any time.

(c)(1) Except as otherwise provided in this subsection, the additional optional insurance elected by an employee pursuant to this section shall stop on separation from service or 12 months after discontinuance of his pay, whichever is earlier, subject to a provision for temporary extension of life insurance coverage and for conversion to an individual policy of life insurance under conditions approved by the Office. Justices and judges of the United States described in section 8701(a)(5)(ii) and (iii) of this chapter are deemed to continue in active employment for purposes of this chapter. A justice or judge of the United States as defined by section 8701(a)(5) of this title who resigns his office without meeting the requirements of section 371(a) of title 28, United States Code, for continuation of the judicial salary shall have the right to convert additional optional life insurance coverage issued under this section during

his judicial service to an individual policy of life insurance under the same conditions approved by the Office governing conversion of basic life insurance coverage for employees eligible as provided in section 8706(a) of this title.

(2) In the case of any employee who retires on an immediate annuity or who becomes entitled to receive compensation under subchapter I of chapter 81 of this title because of disease or injury to the employee, so much of the additional optional insurance as has been in force for not less than—

(A) the 5 years of service immediately preceding the date of retirement or entitlement to compensation, or

(B) the full period or periods of service during which the insurance was available to the employee, if fewer than 5 years,

may be continued under conditions determined by the Office after retirement or while the employee is receiving compensation under subchapter I of chapter 81 of this title and is held by the Secretary of Labor (or the Secretary's delegate) to be unable to return to duty.

(3) The amount of additional optional insurance continued under paragraph (2) shall be continued, with or without reduction, in accordance with the employee's written election at the time eligibility to continue insurance during retirement or receipt of compensation arises, as follows:

(A) The employee may elect to have withholdings cease in accordance with subsection (d), in which case—

(i) the amount of additional optional insurance continued under paragraph (2) shall be reduced each month by 2 percent effective at the beginning of the second calendar month after the date the employee becomes 65 years of age and is retired or is in receipt of compensation; and

(ii) the reduction under clause (i) shall continue for 50 months at which time the insurance shall stop.

(B) The employee may, instead of the option under subparagraph (A), elect to have the full cost of additional optional insurance continue to be withheld from such employee's annuity or compensation on and after the date such withholdings would otherwise cease pursuant to an election under subparagraph (A), in which case the amount of additional optional insurance continued under paragraph (2) shall not be reduced, subject to paragraph (4).

(C) An employee who does not make any election under the preceding provisions of this paragraph shall be treated as if such employee had made an election under subparagraph (A).

(4) If an employee makes an election under paragraph (3)(B), that individual may subsequently cancel such election, in which case additional optional insurance shall be determined as if the individual had originally made an election under paragraph (3)(A).

(5)(A) An employee whose additional optional insurance under this section would otherwise stop in accordance with paragraph (1) and who is not eligible to continue insurance under paragraph (2) may elect, under conditions prescribed by the Office of Personnel Management, to con-
