### § 2722. Stockpile stewardship recruitment and training program

#### (a) Conduct of program

(1) As part of the stockpile stewardship program established pursuant to section 2521 of this title, the Secretary of Energy shall conduct a stockpile stewardship recruitment and training program at the national security laboratories.

(2) The recruitment and training program shall be conducted in coordination with the Chairman of the Joint Nuclear Weapons Council established by section 179 of title 10 and the directors of the laboratories referred to in paragraph (1).

#### (b) Support of dual-use programs

As part of the recruitment and training program, the directors of the national security laboratories may employ undergraduate students, graduate students, and postdoctoral fellows to carry out research sponsored by such laboratories for military or nonmilitary dual-use programs related to nuclear weapons stockpile stewardship.

#### (c) Establishment of retiree corps

As part of the training and recruitment program, the Secretary, in coordination with the directors of the national security laboratories, shall establish for the laboratories a retiree corps of retired scientists who have expertise in research and development of nuclear weapons. The directors may employ the retired scientists on a part-time basis to provide appropriate assistance on nuclear weapons issues, to contribute relevant information to be archived, and to help to provide training to other scientists.

Subsec. (b)(2). Pub. L. 108-136, §3141(i)(9)(D)(ii), inserted “of the National Defense Authorization Act for Fiscal Year 1995 (Public Law 103-337)” after “section 3101(a)(1)”.

### § 2723. Fellowship program for development of skills critical to the nuclear security enterprise

#### (a) In general

The Secretary of Energy shall conduct a fellowship program for the development of skills critical to the ongoing mission of the nuclear security enterprise. Under the fellowship program, the Secretary shall provide educational assistance and research assistance to eligible individuals to facilitate the development by such individuals of skills critical to maintaining the ongoing mission of the nuclear security enterprise.

#### (b) Eligible individuals

Individuals eligible for participation in the fellowship program are United States citizens who are either of the following:

(1) Students pursuing graduate degrees in fields of science or engineering that are related to nuclear weapons engineering or to the science and technology base of the Department of Energy.

(2) Individuals engaged in postdoctoral studies in such fields.

#### (c) Covered facilities

The Secretary shall carry out the fellowship program at or in connection with the national

security laboratories and nuclear weapons production facilities.

**(d) Administration**

The Secretary shall carry out the fellowship program at a facility referred to in subsection (c) through the stockpile manager of the facility.

**(e) Allocation of funds**

The Secretary shall, in consultation with the Assistant Secretary of Energy for Defense Programs, allocate funds available for the fellowship program under subsection (f) among the facilities referred to in subsection (c). The Secretary shall make the allocation after evaluating an assessment by the weapons program director of each such facility of the personnel and critical skills necessary at the facility for carrying out the ongoing mission of the facility.

**(f) Agreement**

(1) The Secretary may allow an individual to participate in the program only if the individual signs an agreement described in paragraph (2).

(2) An agreement referred to in paragraph (1) shall be in writing, shall be signed by the participant, and shall include the participant's agreement to serve, after completion of the course of study for which the assistance was provided, as a full-time employee in a position in the nuclear security enterprise for a period of time to be established by the Secretary of Energy of not less than one year, if such a position is offered to the participant.

PART C—WORKER SAFETY

**§ 2731. Worker protection at nuclear weapons facilities**

**(a) Training grant program**

(1) The Secretary of Energy is authorized to award grants to organizations referred to in paragraph (2) in order for such organizations—

(A) to provide training and education to persons who are or may be engaged in hazardous substance response or emergency response at Department of Energy nuclear weapons facilities; and

(B) to develop curricula for such training and education.

(2)(A) Subject to subparagraph (B), the Secretary is authorized to award grants under paragraph (1) to non-profit organizations that have demonstrated (as determined by the Secretary) capabilities in—

(i) implementing and conducting effective training and education programs relating to the general health and safety of workers; and

(ii) identifying, and involving in training, groups of workers whose duties include hazardous substance response or emergency response.

(B) The Secretary shall give preference in the award of grants under this section to employee organizations and joint labor-management training programs that are grant recipients under section 9660a of title 42.

(3) An organization awarded a grant under paragraph (1) shall carry out training, education, or curricula development pursuant to Department of Energy orders relating to employee safety training, including orders numbered 5480.4 and 5480.11.

**(b) Enforcement of employee safety standards**

(1) Subject to paragraph (2), the Secretary shall assess civil penalties against any contractor of the Department of Energy who (as determined by the Secretary)—

(A) employs individuals who are engaged in hazardous substance response or emergency response at Department of Energy nuclear weapons facilities; and
