

Act [enacting sections 579 and 580 of this title and amending sections 194 and 572 of this title] and title VI of Public Law 109-295 [see Short Title note set out above] shall carry out their respective duties and responsibilities in a manner that does not impede the implementation of requirements specified under this title and title III of this Act and title VI of Public Law 109-295. Notwithstanding the obligations under section 1806 of Public Law 109-295 [probably means Pub. L. 107-296; 6 U.S.C. 576], the provisions of this title and title III of this Act and title VI of Public Law 109-295 shall not preclude or obstruct any such department or agency from exercising its other authorities related to emergency communications matters.”

SUBCHAPTER I—PERSONNEL PROVISIONS

PART A—FEDERAL EMERGENCY MANAGEMENT AGENCY PERSONNEL

§ 711. Surge Capacity Force

(a) Establishment

(1) In general

Not later than 6 months after October 4, 2006, the Administrator shall prepare and submit to the appropriate committees of Congress a plan to establish and implement a Surge Capacity Force for deployment of individuals to respond to natural disasters, acts of terrorism, and other man-made disasters, including catastrophic incidents.

(2) Authority

(A) In general

Except as provided in subparagraph (B), the plan shall provide for individuals in the Surge Capacity Force to be trained and deployed under the authorities set forth in the Robert T. Stafford Disaster Relief and Emergency Assistance Act [42 U.S.C. 5121 et seq.].

(B) Exception

If the Administrator determines that the existing authorities are inadequate for the training and deployment of individuals in the Surge Capacity Force, the Administrator shall report to Congress as to the additional statutory authorities that the Administrator determines necessary.

(b) Employees designated to serve

The plan shall include procedures under which the Secretary shall designate employees of the Department who are not employees of the Agency and shall, in conjunction with the heads of other Executive agencies, designate employees of those other Executive agencies, as appropriate, to serve on the Surge Capacity Force.

(c) Capabilities

The plan shall ensure that the Surge Capacity Force—

(1) includes a sufficient number of individuals credentialed in accordance with section 320 of this title that are capable of deploying rapidly and efficiently after activation to prepare for, respond to, and recover from natural disasters, acts of terrorism, and other man-made disasters, including catastrophic incidents; and

(2) includes a sufficient number of full-time, highly trained individuals credentialed in accordance with section 320 of this title to lead and manage the Surge Capacity Force.

(d) Training

The plan shall ensure that the Administrator provides appropriate and continuous training to members of the Surge Capacity Force to ensure such personnel are adequately trained on the Agency’s programs and policies for natural disasters, acts of terrorism, and other man-made disasters.

(e) No impact on agency personnel ceiling

Surge Capacity Force members shall not be counted against any personnel ceiling applicable to the Federal Emergency Management Agency.

(f) Expenses

The Administrator may provide members of the Surge Capacity Force with travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5 for the purpose of participating in any training that relates to service as a member of the Surge Capacity Force.

(g) Immediate implementation of Surge Capacity Force involving Federal employees

As soon as practicable after October 4, 2006, the Administrator shall develop and implement—

(1) the procedures under subsection (b); and

(2) other elements of the plan needed to establish the portion of the Surge Capacity Force consisting of individuals designated under those procedures.

§ 725. Prepositioned equipment program

(a) In general

The Administrator shall establish a prepositioned equipment program to preposition standardized emergency equipment in at least 11 locations to sustain and replenish critical assets used by State, local, and tribal governments in response to (or rendered inoperable by the effects of) natural disasters, acts of terrorism, and other man-made disasters.

(b) Notice

The Administrator shall notify State, local, and tribal officials in an area in which a loca-

tion for the prepositioned equipment program will be closed not later than 60 days before the date of such closure.

(Pub. L. 109-295, title VI, §637, Oct. 4, 2006, 120 Stat. 1422.)

§ 726. Basic life supporting first aid and education

The Administrator shall enter into agreements with organizations to provide funds to emergency response providers to provide education and training in life supporting first aid to children.

(Pub. L. 109-295, title VI, §639, Oct. 4, 2006, 120 Stat. 1423.)

§ 727. Improvements to information technology systems

(a) Measures to improve information technology systems

The Administrator, in coordination with the Chief Information Officer of the Department, shall take appropriate measures to update and improve the information technology systems of the Agency, including measures to—

(1) ensure that the multiple information technology systems of the Agency (including the National Emergency Management Information System, the Logistics Information Management System III, and the Automated Deployment Database) are, to the extent practicable, fully compatible and can share and access information, as appropriate, from each other;

(2) ensure technology enhancements reach the headquarters and regional offices of the Agency in a timely fashion, to allow seamless integration;

(3) develop and maintain a testing environment that ensures that all system components are properly and thoroughly tested before their release;

(4) ensure that the information technology systems of the Agency have the capacity to track disaster response personnel, mission assignments task orders, commodities, and supplies used in response to a natural disaster, act of terrorism, or other man-made disaster;

(5) make appropriate improvements to the National Emergency Management Information System to address shortcomings in such system on October 4, 2006; and

(6) provide training, manuals, and guidance on information technology systems to personnel, including disaster response personnel, to help ensure employees can properly use information technology systems.

(b) Report

Not later than 270 days after October 4, 2006, the Administrator shall submit to the appropriate committees of Congress a report describing the implementation of this section, including a description of any actions taken, improvements made, and remaining problems and a description of any additional funding needed to make necessary and appropriate improvements to the information technology systems of the Agency.
