§7a-2. Common provisions applicable to registered entities

(a) Acceptable business practices under core principles

(1) In general

Consistent with the purposes of this chapter, the Commission may issue interpretations, or approve interpretations submitted to the Commission, of sections 7(d) and 7a-1(c)(2) of this title, to describe what would constitute an acceptable business practice under such sections.

(2) Effect of interpretation

An interpretation issued under paragraph (1) may provide the exclusive means for complying with each section described in paragraph (1).

(b) Delegation of functions under core principles

(1) In general

A contract market, derivatives transaction execution facility, or electronic trading facil-

ity with respect to a significant price discovery contract may comply with any applicable core principle through delegation of any relevant function to a registered futures association or a registered entity that is not an electronic trading facility.

(2) Responsibility

A contract market, derivatives transaction execution facility, or electronic trading facility that delegates a function under paragraph (1) shall remain responsible for carrying out the function.

(3) Noncompliance

If a contract market, derivatives transaction execution facility, or electronic trading facility that delegates a function under paragraph (1) becomes aware that a delegated function is not being performed as required under this chapter, the contract market, derivatives transaction execution facility, or electronic trading facility shall promptly take steps to address the noncompliance.

(c) New contracts, new rules, and rule amendments

(1) In general

A registered entity may elect to list for trading or accept for clearing any new contract, or other instrument, or may elect to approve and implement any new rule or rule amendment, by providing to the Commission (and the Secretary of the Treasury, in the case of a contract of sale of a government security for future delivery (or option on such a contract) or a rule or rule amendment specifically related to such a contract) a written certification that the new contract or instrument or clearing of the new contract or instrument, new rule, or rule amendment complies with this chapter (including regulations under this chapter).

(2) Rule review

The new rule or rule amendment described in paragraph (1) shall become effective, pursuant to the certification of the registered entity and notice of such certification to its members (in a manner to be determined by the Commission), on the date that is 10 business days after the date on which the Commission receives the certification (or such shorter period as determined by the Commission by rule or regulation) unless the Commission notifies the registered entity within such time that it is staying the certification because there exist novel or complex issues that require additional time to analyze, an inadequate explanation by the submitting registered entity, or a potential inconsistency with this chapter (including regulations under this chapter).

(3) Stay of certification for rules

(A) A notification by the Commission pursuant to paragraph (2) shall stay the certification of the new rule or rule amendment for up to an additional 90 days from the date of the notification.

(B) A rule or rule amendment subject to a stay pursuant to subparagraph (A) shall become effective, pursuant to the certification of

the registered entity, at the expiration of the period described in subparagraph (A) unless the Commission—

(i) withdraws the stay prior to that time; or

(ii) notifies the registered entity during such period that it objects to the proposed certification on the grounds that it is inconsistent with this chapter (including regulations under this chapter).

(C) The Commission shall provide a not less than 30-day public comment period, within the 90-day period in which the stay is in effect as described in subparagraph (A), whenever the Commission reviews a rule or rule amendment pursuant to a notification by the Commission under this paragraph.

(4) Prior approval

(A) In general

A registered entity may request that the Commission grant prior approval to any new contract or other instrument, new rule, or rule amendment.

(B) Prior approval required

Notwithstanding any other provision of this section, a designated contract market shall submit to the Commission for prior approval each rule amendment that materially changes the terms and conditions, as determined by the Commission, in any contract of sale for future delivery of a commodity specifically enumerated in section 1a(10)¹ of this title (or any option thereon) traded through its facilities if the rule amendment applies to contracts and delivery months which have already been listed for trading and have open interest.

(C) Deadline

If prior approval is requested under subparagraph (A), the Commission shall take final action on the request not later than 90 days after submission of the request, unless the person submitting the request agrees to an extension of the time limitation established under this subparagraph.

(5) Approval

(A) Rules

The Commission shall approve a new rule, or rule amendment, of a registered entity unless the Commission finds that the new rule, or rule amendment, is inconsistent with this chapter (including regulations).

(iii) Swaps contracts

(I) In general

In connection with the listing of a swap for clearing by a derivatives clearing organization, the Commission shall determine, upon request or on its own motion, the initial eligibility, or the continuing qualification, of a derivatives clearing organization to clear such a swap under those criteria, conditions, or rules that the Commission, in its discretion, determines.

(II) Requirements

Any such criteria, conditions, or rules shall consider—

- (aa) the financial integrity of the derivatives clearing organization; and
- (bb) any other factors which the Commission determines may be appropriate.

(iv) Deadline

The Commission shall take final action under clauses (i) and (ii) in not later than 90 days from the commencement of its review unless the party seeking to offer the contract or swap agrees to an extension of this time limitation.

CODIFICATION

Pub. L. 110-234 and Pub. L. 110-246 made identical amendments to this section. The amendments by Pub. L. 110-234 were repealed by section 4(a) of Pub. L. 110-246.

AMENDMENTS

2010—Pub. L. 111-203 struck out “or revocation of the right of an electronic trading facility to rely on the exemption set forth in section 2(h)(3) of this title with respect to a significant price discovery contract,” after “or revocation of designation as a registered entity.”.

2000—Pub. L. 106-554, §1(a)(5) [title I, §115], amended section generally. Prior to amendment, section read as follows: “The failure or refusal of any board of trade to comply with any of the provisions of this chapter, or any of the rules, regulations, or orders of the Commission or the commission thereunder, shall be cause for suspending for a period not to exceed six months or revoking the designation of such board of trade as a ‘contract market’ in accordance with the procedure and subject to the judicial review provided in section 8(b) of this title.”

Because the word “commission” was not capitalized in the text of this section, section 103(b) did not apply to this section and therefore section 103(a) was executed, resulting in the substitution of “the Commission or the commission” for “the Secretary of Agriculture or the commission”.

1968—Pub. L. 90-258 substituted “rules, regulations, or orders of the Secretary of Agriculture or the commission” for “rules and regulations of the Secretary of Agriculture”.
