§ 7253. Consolidation and reform of Federal milk marketing orders

(a) Amendment of orders

(1) Required consolidation

The Secretary shall amend Federal milk marketing orders issued under section 608c of this title to limit the number of Federal milk marketing orders to not less than 10 and not more than 14 orders.

(2) Inclusion of California as separate order

Upon the petition and approval of California dairy producers in the manner provided in section 608c of this title, the Secretary shall designate the State of California as a separate Federal milk marketing order. The order covering California shall have the right to reblend and distribute order receipts to recognize quota value. Subsection (b) does not apply to the authority of the Secretary under this subsection.

(3) Related issues addressed in consolidation

Among the issues the Secretary is authorized to implement as part of the consolidation of Federal milk marketing orders are the following:

(A) The use of utilization rates and multiple basing points for the pricing of fluid milk.

(B) The use of uniform multiple component pricing when developing 1 or more basic formula prices for manufacturing milk.

(4) Effect of existing law

In implementing the consolidation of Federal milk marketing orders and related reforms under this subsection, the Secretary may not consider, or base any decision on, the table contained in section 608c(5)(A) of this title.

(b) Expedited process

(1) Use of informal rulemaking

To implement the consolidation of Federal milk marketing orders and related reforms under subsection (a), the Secretary shall use the notice and comment procedures provided in section 553 of title 5.

(2) Time limitations

(A) Proposed amendments

The Secretary shall announce the proposed amendments to be made under subsection (a) not later than 2 years after April 4, 1996.

(B) Final amendments

The Secretary shall implement the amendments not later than 3 years after April 4, 1996.

(3) Effect of court order

The actions authorized by this subsection are intended to ensure the timely publication and implementation of new and amended Federal milk marketing orders. In the event that the Secretary is enjoined or otherwise restrained by a court order from publishing or implementing the consolidation and related reforms under subsection (a), the length of time for which that injunction or other restraining order is effective shall be added to the time limitations specified in paragraph (2) thereby extending those time limitations by a period of time equal to the period of time for which the injunction or other restraining order is effective.

(c) Failure to timely consolidate orders

If the Secretary fails to implement the consolidation required under subsection (a)(1) within the time period required under subsection (b)(2)(B) (plus any additional period provided under subsection (b)(3)), the Secretary may not assess or collect assessments from milk producers or handlers under such section 608c of this title for marketing order administration and services provided under such section after the end of that period until the consolidation is completed. The Secretary may not reduce the level of services provided under the section on account of the prohibition against assessments, but shall rather cover the cost of marketing order administration and services through funds available for the Agricultural Marketing Service of the Department.

(d) Report regarding further reforms

(1) Report required

Not later than April 1, 1997, the Secretary shall submit to Congress a report—

(A) reviewing the Federal milk marketing order system established pursuant to section 608c of this title in light of the reforms required by subsection (a);

(B) describing the efforts underway and the progress made in implementing the reforms required by subsection (a); and

(C) containing such recommendations as the Secretary considers appropriate for further improvements and reforms to the Federal milk marketing order system.

(2) Effect of other laws

Any limitation imposed by Act of Congress on the conduct or completion of reports to Congress shall not apply to the report required under this section, unless the limitation specifically refers to this section.
