### § 2664. Cooperating colleges and universities

#### (a) Program administration

To ensure national coordination with other federally supported agricultural research and extension programs, administration of each State program shall be the responsibility of the colleges and universities eligible to receive funds under the Act of July 2, 1862 [7 U.S.C. 301 et seq.], and the Act of August 30, 1890 [7 U.S.C. 321 et seq.], including Tuskegee Institute. In States that contain more than one such institution, such administration shall be the responsibility of the institution designated by mutual agreement of all such institutions, subject to approval by the Secretary of Agriculture. The Secretary shall pay funds available to each State to such institution or university. Such administration shall be coordinated with other federally supported agricultural research and extension programs conducted in the State.

#### (b) Eligibility for participation

All private and publicly supported colleges and universities in a State shall be eligible to participate in programs authorized under this subchapter. Officials at universities or colleges other than those responsible for administering the programs that wish to participate in these programs shall submit program proposals to the college or university officials responsible for administering the programs who shall consider such proposals in the process of developing the budgets and plans of work.

#### (c) Designation of official for program coordination

The institution of each State responsible for administering the programs authorized under this subchapter shall designate an official who shall be responsible for the overall coordination of the programs.

#### (d) Appointment of advisory council for program administration; eligibility, membership, etc.

The institution in each State responsible for administering the programs authorized under this subchapter shall name an advisory council to review and approve budgets and plans of work conducted under this subchapter and to advise the chief administrative officer of the institution administering the programs on matters pertaining to the programs. An existing State rural development committee or council may be named to perform this function, or a new council may be appointed by the chief administrative officer or officers. The committee or council named or appointed shall consist of at least

twenty members and shall include persons representing farmers, business, labor, banking, local government, multicounty planning and development districts, public and private colleges and universities in the State, and Federal and State agencies involved in rural development.

### § 2665. Withholding funds

If the Secretary of Agriculture determines that a State is not eligible to receive part or all of the funds to which it is otherwise entitled for programs under section 2662(a) and (b) of this title because of a failure to comply with regulations issued by the Secretary under this subchapter, the facts and reasons therefor shall be reported to the President, and the amount involved shall be kept separate in the Treasury until the expiration of the Congress next succeeding the session of the legislature of the State from which funds have been withheld in order that the State may, if it should so desire, appeal to Congress from the determination of the Secretary. If the next Congress shall not direct such sum to be paid, it shall be covered into the Treasury. If any portion of the moneys that are received by the designated officers of any State for the support and maintenance of programs authorized under this subchapter shall by any action or contingency be diminished or lost, or be misapplied, it shall be replaced by the State.

## CODIFICATION

Section, Pub. L. 92-419, title V, § 508, Aug. 30, 1972, 86 Stat. 674, related to Secretary's authority to promulgate such regulations as might be necessary to carry out the provisions of this subchapter, prior to the general revision of this subchapter by Pub. L. 97-98, title XIV, § 1444(a), Dec. 22, 1981, 95 Stat. 1322. See section 2667 of this title.

**§ 2669. Pilot projects for production and marketing of industrial hydrocarbons and alcohols from agricultural commodities and forest products****(a) Formulation and execution of program**

The Secretary is authorized and directed to formulate and carry out a pilot program for the production and marketing of industrial hydrocarbons derived from agricultural commodities and forest products for the purpose of stabilizing and expanding the market for such commodities and products and expanding the Nation's supply of industrial hydrocarbons.

**(b) Loan guarantees**

The Secretary shall provide for four pilot projects for the production of industrial hydrocarbons and alcohols from agricultural commodities and forest products by guaranteeing loans, not to exceed \$15,000,000 per each such project, to public, private, or cooperative organizations organized for profit or nonprofit, or to individuals for a term not to exceed twenty years at a rate of interest agreed upon by the borrower and lender.

**(c) Conditions**

No loan may be guaranteed under this section unless (1) research indicates the total energy content of the products and byproducts to be manufactured by the loan applicant will exceed the total energy input from fossil fuels used in the manufacture of such products and byproducts, and (2) such other conditions as the Secretary deems appropriate to achieve the purposes of this section are met.

**(d) Long-term contracts to supply agricultural commodities to loan recipients**

In order to assure that the recipients of loans made under this section have a dependable supply of agricultural commodities at a stable price for use in the pilot projects provided for in this section, the Secretary is authorized to enter into long-term contracts, not exceeding five years, with the recipients of such loans. Such contracts shall guarantee the recipients of such loans a specified quantity of agricultural commodities annually at mutually agreed upon prices, but the agricultural commodities shall
