EFFECTIVE DATE OF 2008 AMENDMENT

Amendment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of this title.

§ 4505. Certification of organizations

(a) The eligibility of any organization to represent milk producers, and to participate in the making of nominations under section 4504 of this title shall be certified by the Secretary. The Secretary shall certify any organization that the Secretary determines meets the eligibility criteria established by the Secretary under this section and the Secretary’s determination as to eligibility shall be final.

(b) Certification shall be based, in addition to other available information, on a factual report submitted by the organization, which shall contain information deemed relevant and specified by the Secretary, including, but not limited to, the following:

- (1) geographic territory covered by the organization’s active membership;
- (2) nature and size of the organization’s active membership including the proportion of the total number of active milk producers represented by the organization;
- (3) evidence of stability and permanency of the organization;
- (4) sources from which the organization’s operating funds are derived;
- (5) functions of the organization; and
- (6) the organization’s ability and willingness to further the aims and objectives of this subchapter.

The primary considerations in determining the eligibility of an organization shall be whether its membership consists primarily of milk producers who produce a substantial volume of milk and whether the primary or overriding interest of the organization is in the production or processing of fluid milk and dairy products and promotion of the nutritional attributes of fluid milk and dairy products.

(Pub. L. 98-180, title I, §114, Nov. 29, 1983, 97 Stat. 1140.)

§ 4506. Requirement of referendum

(a) Within the sixty-day period immediately preceding September 30, 1985, the Secretary shall conduct a referendum among producers who, during a representative period (as determined by the Secretary), have been engaged in the production of milk for commercial use for the purpose of ascertaining whether the order then in effect shall be continued. Such order shall be continued only if the Secretary determines that it has been approved by not less than a majority of the producers voting in the referendum, who during a representative period (as determined by the Secretary) have been engaged in the production of milk for commercial use. If continuation of the order is not approved by a majority of the producers voting in the referendum, the Secretary shall terminate collection of assessments under the order within six months after the Secretary determines that such action is favored by a majority of the producers voting in the referendum and shall terminate the order in an orderly manner as soon as practicable after such determination.

(b) The Secretary shall be reimbursed from assessments collected by the Board for any expenses incurred by the Department in connection with the conduct of any referendum under this section and section 4507 of this title, except for the salaries of Government employees.

§ 4507. Suspension and termination of orders

(a) Determination by Secretary

After September 30, 1985, the Secretary shall, whenever the Secretary finds that any order issued under this subchapter or any provision thereof obstructs or does not tend to effectuate the declared policy of this subchapter, terminate or suspend the operation of such order or such provisions thereof.

(b) Referendum

After September 30, 1985, the Secretary may conduct a referendum at any time, and shall hold a referendum on request of a representative group comprising 10 per centum or more of the number of producers and importers subject to the order, to determine whether the producers and importers favor the termination or suspension of the order. The Secretary shall suspend or terminate collection of assessments under the order within six months after the Secretary determines that suspension or termination of the order is favored by a majority of the producers voting in the referendum who, during a representative period (as determined by the Secretary), have been engaged in the production of milk for commercial use and importers voting in the referendum (who have been engaged in the importation of dairy products during the same representative period, as determined by the Secretary) and shall terminate the order in an orderly manner as soon as practicable after such determination.

(c) Action not considered an order

The termination or suspension of any order, or any provision thereof, shall not be considered an order within the meaning of this subchapter.
