SERVICE AND TRANSFER OF FUNCTIONS

For abolition of Immigration and Naturalization Service, transfer of functions, and treatment of related references, see note set out under section 1551 of this title.

**§ 1284. Control of alien crewmen**

**(a) Penalties for failure**

The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 1282 of this title or unless an alien crewman has been permitted to land temporarily under section 1182(d)(5) or 1283 of this title for medical or hospital treatment, or (3) to remove such alien crewman if required to do so by an immigration officer, whether such removal requirement is imposed before or after the crewman is permitted to land temporarily under section 1182(d)(5), 1282, or 1283 of this title, shall pay to the Commissioner the sum of \$3,000 for each alien crewman in respect to whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the Commissioner. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$500 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

**(b) Prima facie evidence against transportation line**

Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or remove such alien crewman.

**(c) Removal on other than arriving vessel or aircraft; expenses**

If the Attorney General finds that removal of an alien crewman under this section on the ves-

sel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be removed from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in connection with such removal, including expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this subsection shall not be regarded as having been landed in the United States.
