(2) Ensure that each project that is conducted in accordance with this section is required to provide, within a specified period following completion of the project, an after-action report to the Secretary of Defense.

(3) Require that each application for a project to be conducted in accordance with this section include an analysis and certification that the proposed project would not result in a significant increase in the cost of training (as determined in accordance with procedures prescribed by the Secretary of Defense).

(4) Determine the total program cost for each project, including both those costs that are borne by the military departments from their own accounts and those costs that are borne by defense-wide accounts.
