

PRIOR PROVISIONS

A prior section 2279, act Aug. 10, 1956, ch. 1041, 70A Stat. 127, related to restrictions on alien employees of contractors as to access to plans and specifications, prior to repeal by Pub. L. 103-160, div. A, title VIII, § 821(a)(1), Nov. 30, 1993, 107 Stat. 1704.

§ 2279a. Principal Advisor on Space Control

(a) IN GENERAL.—The Secretary of Defense shall designate a senior official of the Department of Defense or a military department to serve as the Principal Space Control Advisor, who, in addition to the other duties of such senior official, shall act as the principal advisor to the Secretary on space control activities.

(b) RESPONSIBILITIES.—The Principal Space Control Advisor shall be responsible for the following:

(1) Supervision of space control activities related to the development, procurement, and employment of, and strategy relating to, space control capabilities.

(2) Oversight of policy, resources, personnel, and acquisition and technology relating to space control activities.

(c) CROSS-FUNCTIONAL TEAM.—The Principal Space Control Advisor shall integrate the space control expertise and perspectives of appropriate organizational entities of the Office of the Secretary of Defense, the Joint Staff, the military departments, the Defense Agencies, and the combatant commands, by establishing and maintaining a cross-functional team of subject-matter experts who are otherwise assigned or detailed to those entities.

(Added Pub. L. 114-92, div. A, title XVI, § 1602(a), Nov. 25, 2015, 129 Stat. 1096.)

§ 2279b. Council on Oversight of the Department of Defense Positioning, Navigation, and Timing Enterprise

(a) ESTABLISHMENT.—There is within the Department of Defense a council to be known as the “Council on Oversight of the Department of Defense Positioning, Navigation, and Timing Enterprise” (in this section referred to as the “Council”).

(b) MEMBERSHIP.—The members of the Council shall be as follows:

(1) The Under Secretary of Defense for Policy.

(2) The Under Secretary of Defense for Acquisition, Technology, and Logistics.

(3) The Vice Chairman of the Joint Chiefs of Staff.

(4) The Commander of the United States Strategic Command.

(5) The Commander of the United States Northern Command.

(6) The Commander of United States Cyber Command.

(7) The Director of the National Security Agency.

(8) The Chief Information Officer of the Department of Defense.

(9) The Secretaries of the military departments, who shall be ex officio members.

(10) Such other officers of the Department of Defense as the Secretary may designate.

(c) CO-CHAIR.—The Council shall be co-chaired by the Under Secretary of Defense for Acquisi-

tion, Technology, and Logistics and the Vice Chairman of the Joint Chiefs of Staff.

(d) RESPONSIBILITIES.—(1) The Council shall be responsible for oversight of the Department of Defense positioning, navigation, and timing enterprise, including positioning, navigation, and timing services provided to civil, commercial, scientific, and international users.

(2) In carrying out the responsibility for oversight of the Department of Defense positioning, navigation, and timing enterprise as specified in paragraph (1), the Council shall be responsible for the following:

(A) Oversight of performance assessments (including interoperability).

(B) Vulnerability identification and mitigation.

(C) Architecture development.

(D) Resource prioritization.

(E) Such other responsibilities as the Secretary of Defense shall specify for purposes of this section.

(e) ANNUAL REPORTS.—At the same time each year that the budget of the President is submitted to Congress under section 1105(a) of title 31, the Council shall submit to the congressional defense committees a report on the activities of the Council. Each report shall include the following:

(1) A description and assessment of the activities of the Council during the previous fiscal year.

(2) A description of the activities proposed to be undertaken by the Council during the period covered by the current future-years defense program under section 221 of this title.

(3) Any changes to the requirements of the Department of Defense positioning, navigation, and timing enterprise made during the previous year, along with an explanation for why the changes were made and a description of the effects of the changes to the capability of such enterprise.

(4) A breakdown of each program element in such budget that relates to the Department of Defense positioning, navigation, and timing enterprise, including how such program element relates to the operation and sustainment, research and development, procurement, or other activity of such enterprise.

(f) BUDGET AND FUNDING MATTERS.—(1) Not later than 30 days after the President submits to Congress the budget for a fiscal year under section 1105(a) of title 31, the Commander of the United States Strategic Command shall submit to the Chairman of the Joint Chiefs of Staff an assessment of—

(A) whether such budget allows the Federal Government to meet the required capabilities of the Department of Defense positioning, navigation, and timing enterprise during the fiscal year covered by the budget and the four subsequent fiscal years; and

(B) if the Commander determines that such budget does not allow the Federal Government to meet such required capabilities, a description of the steps being taken to meet such required capabilities.

(2) Not later than 30 days after the date on which the Chairman of the Joint Chiefs of Staff
