“(a) The Farm Credit Administration shall prior to the first day of each fiscal year estimate the cost of administrative expenses for the ensuing fiscal year in administering this chapter, including official functions, and shall apportion the amount so determined among the institutions of the System on such equitable basis as the Farm Credit Administration shall determine, and shall assess against and collect in advance the amounts so apportioned from the institutions among which the apportionment is made.

“(b) The amounts collected pursuant to subsection (a) of this section shall be covered into the Treasury, and credited to a special fund and, without regard to other law, shall be available to the Farm Credit Administration for expenditure during each fiscal year for salaries and expenses of the Farm Credit Administration. As soon as practicable after the end of each such fiscal year, the Farm Credit Administration shall determine, on a fair and reasonable basis, the cost of operation of the Farm Credit Administration and the part thereof which fairly and equitably should be allocated to each bank and association as its share of the cost during the fiscal year of the Farm Credit Administration. If the amount so allocated is greater than the amount collected from the bank or other institutions, the difference shall be collected from such bank or other institutions, and, if less, shall be refunded from the special fund to the bank or other institutions entitled thereto or credited in the special fund to such bank or other institutions for use for the same purposes in future fiscal years.”

(2) Where necessary or appropriate to carry out the policy and objectives of this chapter, issue and approve amendments to Federal charters of institutions of the System; approve change in names of banks operating under this chapter; approve the merger of districts when agreed to by the district bank boards involved and by a majority vote of the voting stockholders and contributors to the guaranty funds of each bank for each of such districts, voting in the same manner as is provided in section 2279a of this title; approve mergers and any related activities as provided for in subchapter VII; and approve the consolidation or division of the territories of institutions when agreed to by a majority vote of the voting stockholders or contributors to the guaranty fund of each of the institutions involved; and approve consolidations of boards of directors when agreed to by a majority vote of the voting stockholders or contributors to the guaranty fund of each of the institutions involved.
