§ 590q-3. Critical lands resource conservation program in Great Plains area

Notwithstanding any other provision of law—

(a) Authorization for program

The Secretary of Agriculture is authorized to formulate and carry out a program with owners and operators of land in the Great Plains area as described in section 590p(b)¹ of this title to reduce runoff, soil and water erosion, and otherwise to promote the conservation of soil and water resources in such area through the conversion of cropland from soil depleting uses to conserving uses including the production of soil conserving cover crops.

(b) Terms of agreements with owners or operators

To effectuate the purposes of the program, the Secretary may enter into an agreement for a two-year period with an owner or operator as described in subsection (a) whereby the owner or operator shall agree to devote to a soil conserving cover crop a specifically designated acreage of cropland on the farm up to 50 per centum of the acreage which had been planted to any soil depleting crop or crops in any of the two years preceding the date of the agreement. The agreement shall be renewable for annual periods thereafter subject to the mutual agreement of the owner or operator and the Secretary. In such agreement, the owner or operator shall agree (1) to plant a legume, or if not adapted to such area, an annual, biennial, or a perennial cover crop, as specified in the agreement; (2) to divert from production such portion of one or more
