The Secretary shall establish a conservation experienced services program (in this section referred to as the “ACES Program”) for the purpose of utilizing the talents of individuals who are age 55 or older, but who are not employees of the Department of Agriculture or a State agriculture department, to provide technical services in support of the conservation-related programs and authorities carried out by the Secretary. Such technical services may include conservation planning assistance, technical consultation, and assistance with design and implementation of conservation practices.

(b) Program agreements

(1) Relation to older American community service employment program

Notwithstanding any other provision of law relating to Federal grants, cooperative agreements, or contracts, to carry out the ACES program during a fiscal year, the Secretary may enter into agreements with nonprofit private agencies and organizations eligible to receive grants for that fiscal year under the Community Service Senior Opportunities Act (42 U.S.C. 3056 et seq.) to secure participants for the ACES program who will provide technical services under the ACES program.

Before entering into an agreement under paragraph (1), the Secretary shall ensure that the agreement would not—

(B) result in the use of an individual under the ACES program for a job or function in a case in which a Federal employee is in a lay-off status from the same or a substantially-equivalent job or function with the Department; or

(C) affect existing contracts for services.

(c) Funding source
