

or micro-businesses, cooperatives, nonprofit organizations, Youth Conservation Corps work crews, or related State, local, and other non-Federal conservation corps.

(7) Tracking

For each administrative unit, the Secretary shall track acres burned, by the degree of severity, by large wildfires (as defined by the Secretary).

(8) Monitoring and maintenance of treated areas

The Secretary shall, to the maximum extent practicable, develop a process for monitoring the need for maintenance of treated areas, over time, in order to preserve the forest health benefits achieved.

(Pub. L. 108-148, title I, §102, Dec. 3, 2003, 117 Stat. 1892.)

§ 6513. Prioritization

(a) In general

In accordance with the Implementation Plan, the Secretary shall develop an annual program of work for Federal land that gives priority to authorized hazardous fuel reduction projects that provide for the protection of at-risk communities or watersheds or that implement community wildfire protection plans.

(b) Collaboration

(1) In general

The Secretary shall consider recommendations under subsection (a) that are made by at-risk communities that have developed community wildfire protection plans.

(2) Exemption

The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the planning process and recommendations concerning community wildfire protection plans.

(c) Administration

(1) In general

Federal agency involvement in developing a community wildfire protection plan, or a recommendation made in a community wildfire protection plan, shall not be considered a Federal agency action under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(2) Compliance

In implementing authorized hazardous fuel reduction projects on Federal land, the Secretary shall, in accordance with section 6514 of this title, comply with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(d) Funding allocation

(1) Federal land

(A) In general

Subject to subparagraph (B), the Secretary shall use not less than 50 percent of the funds allocated for authorized hazardous fuel reduction projects in the wildland-urban interface.

(B) Applicability and allocation

The funding allocation in subparagraph (A) shall apply at the national level. The

Secretary may allocate the proportion of funds differently than is required under subparagraph (A) within individual management units as appropriate, in particular to conduct authorized hazardous fuel reduction projects on land described in section 6512(a)(4) of this title.

(C) Wildland-urban interface

In the case of an authorized hazardous fuel reduction project for which a decision notice is issued during the 1-year period beginning on December 3, 2003, the Secretary shall use existing definitions of the term “wildland-urban interface” rather than the definition of that term provided under section 6511 of this title.

(2) Non-Federal land

(A) In general

In providing financial assistance under any provision of law for hazardous fuel reduction projects on non-Federal land, the Secretary shall consider recommendations made by at-risk communities that have developed community wildfire protection plans.

(B) Priority

In allocating funding under this paragraph, the Secretary should, to the maximum extent practicable, give priority to communities that have adopted a community wildfire protection plan or have taken proactive measures to encourage willing property owners to reduce fire risk on private property.
