

(c) Consideration of alternatives**(1) In general**

Except as provided in subsection (d), in the environmental assessment or environmental impact statement prepared under subsection (b), the Secretary shall study, develop, and describe—

- (A) the proposed agency action;
- (B) the alternative of no action; and
- (C) an additional action alternative, if the additional alternative—

(i) is proposed during scoping or the collaborative process under subsection (f); and

(ii) meets the purpose and need of the project, in accordance with regulations promulgated by the Council on Environmental Quality.

(2) Multiple additional alternatives

If more than 1 additional alternative is proposed under paragraph (1)(C), the Secretary shall—

- (A) select which additional alternative to consider, which is a choice that is in the sole discretion of the Secretary; and
- (B) provide a written record describing the reasons for the selection.

(d) Alternative analysis process for projects in wildland-urban interface**(1) Proposed agency action and 1 action alternative**

For an authorized hazardous fuel reduction project that is proposed to be conducted in the wildland-urban interface, the Secretary is not required to study, develop, or describe more than the proposed agency action and 1 action alternative in the environmental assessment or environmental impact statement prepared pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

(2) Proposed agency action

Notwithstanding paragraph (1), but subject to paragraph (3), if an authorized hazardous fuel reduction project proposed to be conducted in the wildland-urban interface is located no further than 1½ miles from the boundary of an at-risk community, the Secretary is not required to study, develop, or describe any alternative to the proposed agency action in the environmental assessment or environmental impact statement prepared pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

(3) Proposed agency action and community wildfire protection plan alternative

In the case of an authorized hazardous fuel reduction project described in paragraph (2), if the at-risk community has adopted a community wildfire protection plan and the proposed agency action does not implement the recommendations in the plan regarding the general location and basic method of treatments, the Secretary shall evaluate the recommendations in the plan as an alternative to the proposed agency action in the environmental assessment or environmental impact statement pre-

pared pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

(e) Public notice and meeting**(1) Public notice**

The Secretary shall provide notice of each authorized hazardous fuel reduction project in accordance with applicable regulations and administrative guidelines.

(2) Public meeting

During the preparation stage of each authorized hazardous fuel reduction project, the Secretary shall—

(A) conduct a public meeting at an appropriate location proximate to the administrative unit of the Federal land on which the authorized hazardous fuel reduction project will be conducted; and

(B) provide advance notice of the location, date, and time of the meeting.

(f) Public collaboration

In order to encourage meaningful public participation during preparation of authorized hazardous fuel reduction projects, the Secretary shall facilitate collaboration among State and local governments and Indian tribes, and participation of interested persons, during the preparation of each authorized fuel reduction project in a manner consistent with the Implementation Plan.

(g) Environmental analysis and public comment

In accordance with section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)) and the applicable regulations and administrative guidelines, the Secretary shall provide an opportunity for public comment during the preparation of any environmental assessment or environmental impact statement for an authorized hazardous fuel reduction project.

(h) Decision document

The Secretary shall sign a decision document for authorized hazardous fuel reduction projects and provide notice of the final agency actions.

§ 6515. Special administrative review process**(a) Interim final regulations****(1) In general**

Not later than 30 days after December 3, 2003, the Secretary of Agriculture shall promulgate interim final regulations to establish a predecisional administrative review process for the period described in paragraph (2) that will serve as the sole means by which a person can seek administrative review regarding an authorized hazardous fuel reduction project on Forest Service land.

(2) Period

The predecisional administrative review process required under paragraph (1) shall occur during the period—

(A) beginning after the completion of the environmental assessment or environmental impact statement; and

(B) ending not later than the date of the issuance of the final decision approving the project.

(3) Eligibility

To be eligible to participate in the administrative review process for an authorized hazardous fuel reduction project under paragraph (1), a person shall submit to the Secretary, during scoping or the public comment period for the draft environmental analysis for the project, specific written comments that relate to the proposed action.

(4) Effective date

The interim final regulations promulgated under paragraph (1) shall take effect on the date of promulgation of the regulations.

(b) Final regulations

The Secretary shall promulgate final regulations to establish the process described in subsection (a)(1) after the interim final regulations have been published and reasonable time has been provided for public comment.

(c) Administrative review**(1) In general**

A person may bring a civil action challenging an authorized hazardous fuel reduction project in a Federal district court only if the person has challenged the authorized hazardous fuel reduction project by exhausting—

(A) the administrative review process established by the Secretary of Agriculture under this section; or

(B) the administrative hearings and appeals procedures established by the Department of the Interior.

(2) Issues

An issue may be considered in the judicial review of an action under section 6516 of this title only if the issue was raised in an administrative review process described in paragraph (1).

(3) Exception**(A) In general**

An exception to the requirement of exhausting the administrative review process before seeking judicial review shall be available if a Federal court finds that the futility or inadequacy exception applies to a specific plaintiff or claim.

(B) Information

If an agency fails or is unable to make information timely available during the administrative review process, a court should evaluate whether the administrative review process was inadequate for claims or issues to which the information is material.

FOREST SERVICE PRE-DECISIONAL OBJECTION PROCESS

Pub. L. 113-79, title VIII, §8006(b), Feb. 7, 2014, 128 Stat. 913, provided that: “Section 428 of division E of the Consolidated Appropriations Act, 2012 (16 U.S.C. 6515 note; Public Law 112-74) shall not apply to any project or activity implementing a land and resource management plan developed under section 6 of the Forest and Rangeland Renewable Resources Planning Act of 1974 (16 U.S.C. 1604) that is categorically excluded from documentation in an environmental assessment or an environmental impact statement under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).”

Pub. L. 112-74, div. E, title IV, §428, Dec. 23, 2011, 125 Stat. 1046, provided that: “Hereafter, upon issuance of final regulations, the Secretary of Agriculture, acting through the Chief of the Forest Service, shall apply section 105(a) of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6515(a)), providing for a pre-decisional objection process, to proposed actions of the Forest Service concerning projects and activities implementing land and resource management plans developed under the Forest and Rangeland Renewable Resources Planning Act of 1974 (16 U.S.C. 1600 et seq.), and documented with a Record of Decision or Decision Notice, in lieu of subsections (c), (d), and (e) of section 322 of Public Law 102-381 ([former] 16 U.S.C. 1612 note), providing for an administrative appeal process: *Provided*, That if the Chief of the Forest Service determines an emergency situation exists for which immediate implementation of a proposed action is necessary, the proposed action shall not be subject to the pre-decisional objection process, and implementation shall begin immediately after the Forest Service gives notice of the final decision for the proposed action: *Provided further*, That this section shall not apply to an authorized hazardous fuel reduction project under title I of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6501 et seq.) [probably should be 16 U.S.C. 6511 et seq.]”

§ 6516. Judicial review in United States district courts**(a) Venue**

Notwithstanding section 1391 of title 28 or other applicable law, an authorized hazardous fuels reduction project conducted under this subchapter shall be subject to judicial review only in the United States district court for a district in which the Federal land to be treated under the authorized hazardous fuels reduction project is located.

(b) Expeditious completion of judicial review

In the judicial review of an action challenging an authorized hazardous fuel reduction project under subsection (a), Congress encourages a court of competent jurisdiction to expedite, to the maximum extent practicable, the proceedings in the action with the goal of rendering a final determination on jurisdiction, and (if jurisdiction exists) a final determination on the merits, as soon as practicable after the date on which a complaint or appeal is filed to initiate the action.

(c) Injunctions**(1) In general**

Subject to paragraph (2), the length of any preliminary injunctive relief and stays pending appeal covering an authorized hazardous fuel reduction project carried out under this subchapter shall not exceed 60 days.

(2) Renewal**(A) In general**

A court of competent jurisdiction may issue 1 or more renewals of any preliminary
