§ 6318. Parent and family engagement

(a) Local educational agency policy

(1) In general

A local educational agency may receive funds under this part only if such agency conducts outreach to all parents and family members and implements programs, activities, and procedures for the involvement of parents and family members in programs assisted under this part consistent with this section. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

(2) Written policy

Each local educational agency that receives funds under this part shall develop jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy. The policy shall be incorporated into the local educational agency’s plan developed under section 6312 of this title, establish the agency’s expectations and objectives for meaningful parent and family involvement, and describe how the agency will—

(A) involve parents and family members in jointly developing the local educational agency plan under section 6312 of this title, and the development of support and improvement plans under paragraphs (1) and (2) of section 6311(d) of this title.

(B) provide the coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools within the local educational agency in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education;

(C) coordinate and integrate parent and family engagement strategies under this part with parent and family engagement strategies, to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs;

(D) conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part, including identifying—

(i) barriers to greater participation by parents in activities authorized by this section (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background);

(ii) the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and

(iii) strategies to support successful school and family interactions;

(E) use the findings of such evaluation in subparagraph (D) to design evidence-based strategies for more effective parental involvement, and to revise, if necessary, the parent and family engagement policies described in this section; and

(F) involve parents in the activities of the schools served under this part, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by the local educational agency to adequately represent the needs of the population served by such agency for the purposes of developing, revising, and reviewing the parent and family engagement policy.

Each local educational agency shall reserve at least 1 percent of its allocation under subpart 2 to assist schools to carry out the activities described in this section, except that this subparagraph shall not apply if 1 percent of such agency's allocation under subpart 2 for the fiscal year for which the determination is made is \$5,000 or less. (B) Parent and family member input

Parents and family members of children receiving services under this part shall be involved in the decisions regarding how funds reserved under subparagraph (A) are allotted for parental involvement activities.

other school leaders, specialized instructional support personnel, paraprofessionals, early childhood educators, and parents and family members.

(ii) Supporting programs that reach parents and family members at home, in the community, and at school.

(iii) Disseminating information on best practices focused on parent and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents and family members.

(iv) Collaborating, or providing subgrants to schools to enable such schools to collaborate, with community-based or other organizations or employers with a record of success in improving and increasing parent and family engagement.

(v) Engaging in any other activities and strategies that the local educational agency determines are appropriate and consistent with such agency's parent and family engagement policy.

(b) School parent and family engagement policy

(1) In general

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school.

(2) Special rule

If the school has a parent and family engagement policy that applies to all parents and family members, such school may amend that policy, if necessary, to meet the requirements of this subsection.

(3) Amendment

If the local educational agency involved has a school district-level parent and family engagement policy that applies to all parents and family members in all schools served by the local educational agency, such agency may amend that policy, if necessary, to meet the requirements of this subsection.

(4) Parental comments

If the plan under section 6312 of this title is not satisfactory to the parents of participating children, the local educational agency shall submit any parent comments with such plan when such local educational agency submits the plan to the State.

(c) Policy involvement

Each school served under this part shall—

(4) provide parents of participating children—

(A) timely information about programs under this part;

(B) a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging State academic standards; and

(5) if the schoolwide program plan under section 6314(b) of this title is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the local educational agency.

(d) Shared responsibilities for high student academic achievement

As a component of the school-level parent and family engagement policy developed under subsection (b), each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Such compact shall—

(B) frequent reports to parents on their children's progress;

(C) reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities; and

(D) ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand.

(e) Building capacity for involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under this part—

(1) shall provide assistance to parents of children served by the school or local educational agency, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children;
