

(c) Publication of rewards for terrorism-related information

For the purpose of notifying the public, the Secretary of State shall publish the availability of United States Government rewards for information on international terrorist-related activities, including rewards available under section 2708(a)¹ of this title and chapter 204 of title 18. To the extent appropriate and feasible, notices making such publication shall be posted and prominently displayed domestically and abroad in international airports.

(d) Sense of Congress

It is the sense of Congress that the Secretary of Transportation should take appropriate measures to utilize and train properly the officers and employees of other United States Government agencies who have functions at international airports in the United States and abroad in the detection of explosives and firearms which could be a threat to international civil aviation.
