§ 7112. Additional activities to monitor and combat forced labor and child labor

(a) Activities of the Department of State

(1) Finding

Congress finds that in the report submitted to Congress by the Secretary of State in June 2005 pursuant to section 7107(b) of this title, the list of countries whose governments do not comply with the minimum standards for the elimination of trafficking and are not making significant efforts to bring themselves into compliance was composed of a large number of countries in which the trafficking involved forced labor, including the trafficking of women into domestic servitude.

(2) Sense of Congress

It is the sense of Congress that the Director of the Office to Monitor and Combat Trafficking of the Department of State should intensify the focus of the Office on forced labor in the countries described in paragraph (1) and other countries in which forced labor continues to be a serious human rights concern.

(3) Information sharing

The Secretary of State shall, on a regular basis, provide information relating to child labor and forced labor in the production of goods in violation of international standards
