

Effective Date of 2008 Amendment note under section 54 of this title.

§ 54B. Qualified forestry conservation bonds

(a) Qualified forestry conservation bond

For purposes of this subchapter, the term “qualified forestry conservation bond” means any bond issued as part of an issue if—

- (1) 100 percent of the available project proceeds of such issue are to be used for one or more qualified forestry conservation purposes,
- (2) the bond is issued by a qualified issuer, and
- (3) the issuer designates such bond for purposes of this section.

(b) Limitation on amount of bonds designated

The maximum aggregate face amount of bonds which may be designated under subsection (a) by any issuer shall not exceed the limitation amount allocated to such issuer under subsection (d).

(c) National limitation on amount of bonds designated

There is a national qualified forestry conservation bond limitation of \$500,000,000.

(d) Allocations

(1) In general

The Secretary shall make allocations of the amount of the national qualified forestry conservation bond limitation described in subsection (c) among qualified forestry conservation purposes in such manner as the Secretary determines appropriate so as to ensure that all of such limitation is allocated before the date which is 24 months after the date of the enactment of this section.

(2) Solicitation of applications

The Secretary shall solicit applications for allocations of the national qualified forestry conservation bond limitation described in subsection (c) not later than 90 days after the date of the enactment of this section.

(e) Qualified forestry conservation purpose

For purposes of this section, the term “qualified forestry conservation purpose” means the acquisition by a State or any political subdivision or instrumentality thereof or a 501(c)(3) organization (as defined in section 150(a)(4)) from an unrelated person of forest and forest land that meets the following qualifications:

- (1) Some portion of the land acquired must be adjacent to United States Forest Service Land.
- (2) At least half of the land acquired must be transferred to the United States Forest Service at no net cost to the United States and not more than half of the land acquired may either remain with or be conveyed to a State.
- (3) All of the land must be subject to a native fish habitat conservation plan approved by the United States Fish and Wildlife Service.
- (4) The amount of acreage acquired must be at least 40,000 acres.

(f) Qualified issuer

For purposes of this section, the term “qualified issuer” means a State or any political sub-

division or instrumentality thereof or a 501(c)(3) organization (as defined in section 150(a)(4)).

(g) Special arbitrage rule

In the case of any qualified forestry conservation bond issued as part of an issue, section 54A(d)(4)(C) shall be applied to such issue without regard to clause (i).

(h) Election to treat 50 percent of bond allocation as payment of tax

(1) In general

If—

(A) a qualified issuer receives an allocation of any portion of the national qualified forestry conservation bond limitation described in subsection (c), and

(B) the qualified issuer elects the application of this subsection with respect to such allocation,

then the qualified issuer (without regard to whether the issuer is subject to tax under this chapter) shall be treated as having made a payment against the tax imposed by this chapter, for the taxable year preceding the taxable year in which the allocation is received, in an amount equal to 50 percent of the amount of such allocation.

(2) Treatment of deemed payment

(A) In general

Notwithstanding any other provision of this title, the Secretary shall not use the payment of tax described in paragraph (1) as an offset or credit against any tax liability of the qualified issuer but shall refund such payment to such issuer.

(B) No interest

Except as provided in paragraph (3)(A), the payment described in paragraph (1) shall not be taken into account in determining any amount of interest under this title.

(3) Requirement for, and effect of, election

(A) Requirement

No election under this subsection shall take effect unless the qualified issuer certifies to the Secretary that any payment of tax refunded to the issuer under this subsection will be used exclusively for 1 or more qualified forestry conservation purposes. If the qualified issuer fails to use any portion of such payment for such purpose, the issuer shall be liable to the United States in an amount equal to such portion, plus interest at the overpayment rate under section 6621 for the period from the date such portion was refunded to the date such amount is paid. Any such amount shall be assessed and collected in the same manner as tax imposed by this chapter, except that subchapter B of chapter 63 (relating to deficiency procedures) shall not apply in respect of such assessment or collection.

(B) Effect of election on allocation

If a qualified issuer makes the election under this subsection with respect to any allocation—

- (i) the issuer may issue no bonds pursuant to the allocation, and

(ii) the Secretary may not reallocate such allocation for any other purpose.

§ 54C. New clean renewable energy bonds

(a) New clean renewable energy bond

For purposes of this subpart, the term “new clean renewable energy bond” means any bond issued as part of an issue if—

(1) 100 percent of the available project proceeds of such issue are to be used for capital expenditures incurred by governmental bodies, public power providers, or cooperative electric companies for one or more qualified renewable energy facilities,

(2) the bond is issued by a qualified issuer, and

(3) the issuer designates such bond for purposes of this section.

(b) Reduced credit amount

The annual credit determined under section 54A(b) with respect to any new clean renewable energy bond shall be 70 percent of the amount so determined without regard to this subsection.

(c) Limitation on amount of bonds designated

(1) In general

The maximum aggregate face amount of bonds which may be designated under subsection (a) by any issuer shall not exceed the limitation amount allocated under this subsection to such issuer.

(2) National limitation on amount of bonds designated

There is a national new clean renewable energy bond limitation of \$800,000,000 which shall be allocated by the Secretary as provided in paragraph (3), except that—

(A) not more than 33 $\frac{1}{3}$ percent thereof may be allocated to qualified projects of public power providers,

(B) not more than 33 $\frac{1}{3}$ percent thereof may be allocated to qualified projects of governmental bodies, and

(C) not more than 33 $\frac{1}{3}$ percent thereof may be allocated to qualified projects of cooperative electric companies.

(3) Method of allocation

(A) Allocation among public power providers

After the Secretary determines the qualified projects of public power providers which are appropriate for receiving an allocation of the national new clean renewable energy bond limitation, the Secretary shall, to the maximum extent practicable, make allocations among such projects in such manner that the amount allocated to each such project bears the same ratio to the cost of such project as the limitation under paragraph (2)(A) bears to the cost of all such projects.

(B) Allocation among governmental bodies and cooperative electric companies

The Secretary shall make allocations of the amount of the national new clean renewable energy bond limitation described in paragraphs (2)(B) and (2)(C) among qualified projects of governmental bodies and cooperative electric companies, respectively, in such manner as the Secretary determines appropriate.

(4) Additional limitation

The national new clean renewable energy bond limitation shall be increased by \$1,600,000,000. Such increase shall be allocated by the Secretary consistent with the rules of paragraphs (2) and (3).

(d) Definitions

For purposes of this section—

(1) Qualified renewable energy facility

The term “qualified renewable energy facility” means a qualified facility (as determined under section 45(d) without regard to paragraphs (8) and (10) thereof and to any placed in service date) owned by a public power provider, a governmental body, or a cooperative electric company.
