(I) the amount so invested as part of a reasonably required reserve or replacement fund or during an allowable temporary period, and

(II) the amount which is equal to the lesser of 5 percent of the proceeds of the issue of which the refunded bond is a part or \$100,000 (to the extent such amount is allocable to the refunded bond).

(B) Special rules for redemptions

(i) Issuer must redeem only if debt service savings

Clause (ii) and (iii) of subparagraph (A) shall apply only if the issuer may realize present value debt service savings (determined without regard to administrative expenses) in connection with the issue of which the refunding bond is a part.

(ii) Redemptions not required before 90th day

For purposes of clauses (ii) and (iii) of subparagraph (A), the earliest date referred to in such clauses shall not be earlier than the 90th day after the date of issuance of the refunding bond.

(4) Abusive transactions prohibited

An issue is described in this paragraph if any bond (issued as part of such issue) is issued to advance refund another bond and a device is employed in connection with the issuance of such issue to obtain a material financial advantage (based on arbitrage) apart from savings attributable to lower interest rates.

(G) such other information as the Secretary may require.

Subparagraphs (C) and (D) shall not apply to any bond which is not a private activity bond. The Secretary may provide that certain information specified in the 1st sentence need not be included in the statement with respect to an issue where the inclusion of such information is not necessary to carry out the purposes of this subsection.

The Secretary may grant an extension of time for the filing of any statement required under paragraph (2) if the failure to file in a timely fashion is not due to willful neglect.

(f) Treatment of certain pooled financing bonds**(1) In general**

Section 103(a) shall not apply to any pooled financing bond unless, with respect to the

issue of which such bond is a part, the requirements of paragraphs (2), (3), (4), and (5) are met.

(2) Reasonable expectation requirement**(A) In general**

The requirements of this paragraph are met with respect to an issue if the issuer reasonably expects that—

(ii) as of the close of the 3-year period beginning on such date of issuance, at least 95 percent of the net proceeds of the issue (as of the close of such period) will have been so used.

(B) Certain factors may not be taken into account in determining expectations

Expectations as to changes in interest rates or in the provisions of this title (or in the regulations or rulings thereunder) may not be taken into account in determining whether expectations are reasonable for purposes of this paragraph.

(C) Net proceeds

For purposes of subparagraph (A), the term “net proceeds” has the meaning given such term by section 150 but shall not include proceeds used to finance issuance costs and shall not include proceeds necessary to pay interest (during such period) on the bonds which are part of the issue.

For purposes of subparagraph (A), in the case of a refunding bond, the date of issuance taken into account is the date of issuance of the original bond.

(3) Cost of issuance payment requirements

The requirements of this paragraph are met with respect to an issue if—

(A) the payment of legal and underwriting costs associated with the issuance of the issue is not contingent, and

(B) at least 95 percent of the reasonably expected legal and underwriting costs associated with the issuance of the issue are paid not later than the 180th day after the date of the issuance of the issue.

(4) Written loan commitment requirement**(A) In general**

The requirement of this paragraph is met with respect to an issue if the issuer receives prior to issuance written loan commitments identifying the ultimate potential borrowers of at least 30 percent of the net proceeds of such issue.

(B) Exception

Subparagraph (A) shall not apply with respect to any issuer which—

(i) is a State (or an integral part of a State) issuing pooled financing bonds to make or finance loans to subordinate governmental units of such State, or

(ii) is a State-created entity providing financing for water-infrastructure projects through the federally-sponsored State revolving fund program.

(5) Redemption requirement

The requirement of this paragraph is met if to the extent that less than the percentage of the proceeds of an issue required to be used under clause (i) or (ii) of paragraph (2)(A) is used by the close of the period identified in such clause, the issuer uses an amount of proceeds equal to the excess of—

(A) the amount required to be used under such clause, over

(B) the amount actually used by the close of such period,

to redeem outstanding bonds within 90 days after the end of such period.

(6) Pooled financing bond

For purposes of this subsection—

(A) In general

The term “pooled financing bond” means any bond issued as part of an issue more than \$5,000,000 of the proceeds of which are reasonably expected (at the time of the issuance of the bonds) to be used (or are intentionally used) directly or indirectly to make or finance loans to 2 or more ultimate borrowers.

(B) Exceptions

Such term shall not include any bond if—

(i) section 146 applies to the issue of which such bond is a part (other than by reason of section 141(b)(5)) or would apply but for section 146(i), or

(7) Definition of loan; treatment of mixed use issues

(A) Loan

For purposes of this subsection, the term “loan” does not include—

(ii) any use of proceeds by an agency of the issuer unless such agency is a political subdivision or instrumentality of the issuer.

(B) Portion of issue to be used for loans treated as separate issue

If only a portion of the proceeds of an issue is reasonably expected (at the time of issuance of the bond) to be used (or is intentionally used) as described in paragraph (6)(A), such portion and the other portion of such issue shall be treated as separate issues for purposes of determining whether such portion meets the requirements of this subsection.

(g) Treatment of hedge bonds

(1) In general

Section 103(a) shall not apply to any hedge bond unless, with respect to the issue of which such bond is a part—

(A) the requirement of paragraph (2) is met, and

(B) the requirement of subsection (f)(3) is met.

(2) Reasonable expectations as to when proceeds will be spent

An issue meets the requirement of this paragraph if the issuer reasonably expects that—

(A) 10 percent of the spendable proceeds of the issue will be spent for the governmental purposes of the issue within the 1-year period beginning on the date the bonds are issued,

(B) 30 percent of the spendable proceeds of the issue will be spent for such purposes within the 2-year period beginning on such date,

(C) 60 percent of the spendable proceeds of the issue will be spent for such purposes within the 3-year period beginning on such date, and

(D) 85 percent of the spendable proceeds of the issue will be spent for such purposes within the 5-year period beginning on such date.

(3) Hedge bond

(A) In general

For purposes of this subsection, the term “hedge bond” means any bond issued as part of an issue unless—

(i) the issuer reasonably expects that 85 percent of the spendable proceeds of the issue will be used to carry out the governmental purposes of the issue within the 3-year period beginning on the date the bonds are issued, and

(ii) not more than 50 percent of the proceeds of the issue are invested in nonpurpose investments (as defined in section 148(f)(6)(A)) having a substantially guaranteed yield for 4 years or more.

(B) Exception for investment in tax-exempt bonds not subject to minimum tax

(i) In general

Such term shall not include any bond issued as part of an issue 95 percent of the net proceeds of which are invested in bonds—

(I) the interest on which is not includible in gross income under section 103, and

(II) which are not specified private activity bonds (as defined in section 57(a)(5)(C)).

(ii) Amounts in bona fide debt service fund

Amounts in a bona fide debt service fund shall be treated as invested in bonds described in clause (i).

(iii) Amounts held pending reinvestment or redemption

Amounts held for not more than 30 days pending reinvestment or bond redemption shall be treated as invested in bonds described in clause (i).

(C) Exception for refunding bonds

(i) In general

A refunding bond shall be treated as meeting the requirements of this sub-

(ii) General rule for refunding of pre-effective date bonds

A refunding bond shall be treated as meeting the requirements of this subsection if—

(I) this subsection does not apply to the original bond,

(II) the average maturity date of the issue of which the refunding bond is a part is not later than the average maturity date of the bonds to be refunded by such issue, and

(III) the amount of the refunding bond does not exceed the outstanding amount of the refunded bond.

(iii) Refunding of pre-effective date bonds entitled to 5-year temporary period

A refunding bond shall be treated as meeting the requirements of this subsection if—

(I) this subsection does not apply to the original bond,

(II) the issuer reasonably expected that 85 percent of the spendable proceeds of the issue of which the original bond is a part would be used to carry out the governmental purposes of the issue within the 5-year period beginning on the date the original bonds were issued but did not reasonably expect that 85 percent of such proceeds would be so spent within the 3-year period beginning on such date, and

(III) at least 85 percent of the spendable proceeds of the original issue (and all other prior original issues issued to finance the governmental purposes of such issue) were spent before the date the refunding bonds are issued.

(4) Special rules

For purposes of this subsection—

(A) Construction period in excess of 5 years

The Secretary may, at the request of any issuer, provide that the requirement of paragraph (2) shall be treated as met with respect to the portion of the spendable proceeds of an issue which is to be used for any construction project having a construction period in excess of 5 years if it is reasonably expected that such proceeds will be spent over a reasonable construction schedule specified in such request.

(B) Rules for determining expectations

The rules of subsection (f)(2)(B) shall apply.

(5) Regulations

The Secretary may prescribe regulations to prevent the avoidance of the rules of this subsection, including through the aggregation of projects within a single issue.
