(1) In general

No gain or loss shall be recognized if stock or securities in a corporation a party to a re-

organization are, in pursuance of the plan of reorganization, exchanged solely for stock or securities in such corporation or in another corporation a party to the reorganization.

(2) Limitation

(A) Excess principal amount

Paragraph (1) shall not apply if—

(i) the principal amount of any such securities received exceeds the principal amount of any such securities surrendered, or

(ii) any such securities are received and no such securities are surrendered.

(B) Property attributable to accrued interest

Neither paragraph (1) nor so much of section 356 as relates to paragraph (1) shall apply to the extent that any stock (including nonqualified preferred stock, as defined in section 351(g)(2)), securities, or other property received is attributable to interest which has accrued on securities on or after the beginning of the holder's holding period.

The statutory period for the assessment of any deficiency attributable to a corporation failing to be a family-owned corporation shall not expire before the expiration of 3 years after the date the Secretary is notified by the corporation (in such manner as the Secretary may prescribe) of such failure, and such deficiency may be assessed before the expiration of such 3-year period notwithstanding the provisions of any other law or rule of law which would otherwise prevent such assessment.

(ii) distributes to a security holder, in exchange for its securities,

solely stock or securities of a corporation (referred to in this section as “controlled corporation”) which it controls immediately before the distribution,

(B) the transaction was not used principally as a device for the distribution of the earnings and profits of the distributing corporation or the controlled corporation or both (but the mere fact that subsequent to the distribution stock or securities in one or more of such corporations are sold or exchanged by all or some of the distributees (other than pursuant to an arrangement negotiated or agreed upon prior to such distribution) shall not be construed to mean that the transaction was used principally as such a device),
