(1) Imposition of tax

There is hereby imposed for each taxable year on the unrelated business taxable income (as defined in section 512) of every organization described in paragraph (2) a tax computed as provided in section 11. (A) Organizations described in sections 401(a) and 501(c)

The tax imposed by paragraph (1) shall apply in the case of any organization (other than a trust described in subsection (b) or an organization described in section 501(c)(1)) which is exempt, except as provided in this part or part II (relating to private foundations), from taxation under this subtitle by reason of section 501(a).

(B) State colleges and universities

The tax imposed by paragraph (1) shall apply in the case of any college or university which is an agency or instrumentality of any government or any political subdivision thereof, or which is owned or operated by a government or any political subdivision thereof, or by any agency or instrumentality of one or more governments or political subdivisions. If a corporation described in section 501(c)(2)—

(1) pays any amount of its net income for a taxable year to an organization exempt from taxation under section 501(a) (or which would pay such an amount but for the fact that the expenses of collecting its income exceed its income), and

(2) such corporation and such organization file a consolidated return for the taxable year,

such corporation shall be treated, for purposes of the tax imposed by subsection (a), as being organized and operated for the same purposes as such organization, in addition to the purposes described in section 501(c)(2).
