In the case of an eligible taxpayer who holds a qualified zone academy bond on the credit allowance date of such bond which occurs during the taxable year, there shall be allowed as a credit against the tax imposed by this chapter for such taxable year the amount determined under subsection (b).

(b) Amount of credit**(1) In general**

The amount of the credit determined under this subsection with respect to any qualified zone academy bond is the amount equal to the product of—

(A) the credit rate determined by the Secretary under paragraph (2) for the month in which such bond was issued, multiplied by

(B) the face amount of the bond held by the taxpayer on the credit allowance date.

(2) Determination

During each calendar month, the Secretary shall determine a credit rate which shall apply to bonds issued during the following calendar month. The credit rate for any month is the percentage which the Secretary estimates will permit the issuance of qualified zone academy bonds without discount and without interest cost to the issuer.

(c) Limitation based on amount of tax

The credit allowed under subsection (a) for any taxable year shall not exceed the excess of—

(1) the sum of the regular tax liability (as defined in section 26(b)) plus the tax imposed by section 55, over

Such maximum term shall be the term which the Secretary estimates will result in the present value of the obligation to repay the principal on the bond being equal to 50 percent of the face amount of the bond. Such present value shall be determined using as a discount rate the average annual interest rate of tax-exempt obligations having a term of 10 years or more which are issued during the month. If the term as so determined is not a multiple of a whole year, such term shall be rounded to the next highest whole year.

(4) Qualified zone academy**(A) In general**

Russell National School Lunch Act.

The limitation amount allocated to a State under the preceding sentence shall be allocated by the State education agency to qualified zone academies within such State.

(3) Designation subject to limitation amount

The maximum aggregate face amount of bonds issued during any calendar year which may be designated under subsection (d)(1) with respect to any qualified zone academy shall not exceed the limitation amount allocated to such academy under paragraph (2) for such calendar year.

(4) Carryover of unused limitation

If for any calendar year—

(B) the amount of bonds issued during such year which are designated under subsection

(d)(1) with respect to qualified zone academies within such State,

Any carryforward of a limitation amount may be carried only to the first 2 years (3 years for carryforwards from 1998 or 1999) following the unused limitation year. For purposes of the preceding sentence, a limitation amount shall be treated as used on a first-in first-out basis.

(2) Extension of period

Upon submission of a request prior to the expiration of the period described in paragraph (1)(A), the Secretary may extend such period if the issuer establishes that the failure to satisfy the 5-year requirement is due to reasonable cause and the related purposes will continue to proceed with due diligence.

(3) Failure to spend required amount of bond proceeds within 5 years

To the extent that less than 95 percent of the proceeds of such issue are expended by the close of the 5-year period beginning on the date of issuance (or if an extension has been obtained under paragraph (2), by the close of the extended period), the issuer shall redeem all of the nonqualified bonds within 90 days after the end of such period. For purposes of this paragraph, the amount of the nonqualified bonds required to be redeemed shall be determined in the same manner as under section 142.

(g) Special rules relating to arbitrage
