### § 2703. Definitions

As used in this chapter:

#### (1) Advanced workplace practices

The term “advanced workplace practices” means innovations in work organization and performance, including high-performance workplace systems, flexible production techniques, quality programs, continuous improvement, concurrent engineering, close relationships between suppliers and customers, widely diffused decisionmaking and work teams, and effective integration of production technology, worker skills and training, and workplace organization, and such other characteristics as determined appropriate by the Secretary of Labor, in consultation with the Secretary of Commerce.

#### (2) Advanced workplace technologies

The term “advanced workplace technologies” includes—

(A) numerically controlled machine tools, robots, automated process control equipment, computerized flexible manufacturing systems, associated computer software, and other technology for improving the manufacturing and industrial production of goods and commercial services, which advance the state-of-the-art; or

(B) novel industrial and commercial techniques and processes not previously generally available that improve quality, productivity, and practices, including engineering design, quality assurance, concurrent engineering, continuous process production technology, inventory management, upgraded worker skills, communications with customers and suppliers, and promotion of sustainable economic growth.

#### (3) Department

The term “Department” means the Department of Labor.

#### (4) Nonprofit organization

The term “nonprofit organization” means a tax-exempt organization, as described in paragraph (3), (4), or (5) of section 501(c) of title 26.

#### (5) Secretary

The term “Secretary” means the Secretary of Labor.

#### (6) Worker organization

The term “worker organization” means a labor organization within the meaning of section 501(c)(5) of title 26.

(Pub. L. 103-382, title V, §544, Oct. 20, 1994, 108 Stat. 4053.)

### § 2704. Grants

#### (a) In general

The Secretary of Labor, after consultation with the Secretary of Commerce, shall, to the extent appropriations are available, award grants to eligible entities to carry out the purposes described in section 2702 of this title.

#### (b) Eligibility

To be eligible to receive a grant under this section, an entity shall—

(1) be a nonprofit organization, or a partnership consortium of such organizations;

(2) prepare and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, including a description of the activities that the entity will carry out using amounts received under the grant; and

(3) agree to make available (directly or through donations from public or private entities) non-Federal contributions toward the costs of the activities to be conducted with grant funds, in an amount equal to the amount required under subsection (d).

#### (c) Use of amounts

An entity shall use amounts received under a grant awarded under this section to carry out the purposes described in section 2702 of this title through activities such as—

(1) the provision of technical assistance to workers, worker organizations, employers, State economic development agencies, State industrial extension programs, Advanced Technology Centers, and National Manufacturing Technology Centers to identify advanced workplace practices and strategies that enhance the effective evaluation, selection, and implementation of advanced workplace technologies;

(2) the researching and identification of new and advanced workplace technologies, and advanced workplace practices that promote the improvement of workers’ skills, wages, working conditions, and job security, that research the link between advanced workplace practices and long-term corporate performance, and which are consistent with the needs of local communities and the need for a healthy environment; and

(3) the development and dissemination of training programs and materials to be used for and by workers, worker organizations, employers, State economic development agencies, State industrial extension programs, Advanced Technology Centers, and National Manufacturing Technology Centers relating to the activities and services provided pursuant to paragraphs (1) and (2), and regarding successful practices including practices which address labor-management cooperation and the involvement of workers in the design, development, and implementation of workplace practices and technologies.

#### (d) Terms of grants and non-Federal shares

##### (1) Terms

Grants awarded under this section shall be for a term not to exceed six years.

**(2) Non-Federal share**

Amounts required to be contributed by an entity under subsection (b)(3) shall equal—

(A) an amount equal to 15 percent of the amount provided under the grant in the first year for which the grant is awarded;

(B) an amount equal to 20 percent of the amount provided under the grant in the second year for which the grant is awarded;

(C) an amount equal to 33 percent of the amount provided under the grant in the third year for which the grant is awarded;

(D) an amount equal to 40 percent of the amount provided under the grant in the fourth year for which the grant is awarded; and

(E) an amount equal to 50 percent of the amount provided under the grant in the fifth and sixth years for which the grant is awarded.

**(e) Evaluation**

The Department shall develop mechanisms for evaluating the effectiveness of the use of a grant awarded under this section in carrying out the purposes under section 2702 of this title and, not later than two years after October 20, 1994, and every two years thereafter, prepare and submit a report to Congress concerning such evaluation.

(Pub. L. 103-382, title V, §545, Oct. 20, 1994, 108 Stat. 4053.)

**§ 2705. Identification and dissemination of best practices****(a) In general****(1) Information**

The Secretary, in cooperation and after consultation with the Secretary of Commerce, shall assist workers, worker organizations, and employers in successfully adopting advanced workplace technologies, and advanced workplace practices by identifying, collecting, and disseminating information on best workplace practices and workplace assessment tools, including—

(A) methods, techniques, and successful models of labor-management cooperation and of worker and worker organization participation in the development, evaluation, selection, and implementation of new and advanced workplace technologies, and advanced workplace practices;

(B) methods, techniques, and successful models for the design and implementation of new and advanced workplace practices;

(C) methods, techniques, and successful models for the design and implementation of advanced forms of work organization; and

(D) methods, techniques, and successful models for the assessment of worker skills and training needs relating to the effective development, evaluation, selection, and implementation of advanced workplace technologies, and advanced workplace practices.

**(2) Contents**

Such information on best workplace practices shall include—

(A) summaries and analyses of best practice cases;

(B) criteria for assessment of current workplace practices; and

(C) information on the best available education and training materials and services relating to the development, implementation, and operation of systems utilizing new and advanced workplace technologies, and advanced workplace practices.

**(b) Distribution**

The information and materials developed under this section shall be distributed through an appropriate entity designated by the Secretary of Commerce to the Regional Centers for the Transfer of Manufacturing Technology, to the Manufacturing Outreach Center, to other technology training entities, and directly to others as determined appropriate by the Secretary of Labor and the Secretary of Commerce.
