TRANSFER OF FUNCTIONS

Director of the Bureau of Land Management substituted for United States Supervisor of Surveys in sentence beginning "The Director of the Bureau of Land Management may appoint". In the establishment of the Bureau of Land Management by Reorg. Plan No. 3 of 1946, § 403, eff. July 16, 1946, 11 F.R. 7876, 60 Stat. 1100, set out in the Appendix to Title 5, Government Organization and Employees, the office of Supervisor of Surveys was abolished and the functions and powers were transferred to the Secretary of the Interior, to be performed by such officers or agencies of the Department as might be designated by the Secretary. Under that authority, the functions and powers formerly exercised by the Supervisor of Surveys were delegated to the Chief Cadastral Engineer, subject to the supervision of the Director of the Bureau of Land Management. In the general reorganization and realignment of functions of the Bureau, the office of the Chief Cadastral Engineer was abolished, and the functions of that office have been delegated to the Director of the Bureau of Land Management. See 43 C.F.R. § 9180.0-3(a)(1).

In sentence beginning "The Director of the Bureau of Land Management shall also have power", "Director of the Bureau of Land Management" substituted for "Commissioner of the General Land Office" in two instances and "Director" for "Commissioner" on authority of Reorg. Plan No. 3 of 1946, § 403, set out in the Appendix to Title 5, Section 403 of Reorg. Plan No. 3 of 1946, abolished the office of the Commissioner of the General Land Office and consolidated the functions of the General Land Office with the Grazing Service to form the Bureau of Land Management.

Office of register of district land office abolished and all functions of register transferred to Secretary of the Interior, or to officers and agencies of Department of the Interior as Secretary may designate, by Reorg. Plan No. 3 of 1946, § 403, set out in the Appendix to Title 5.

In cases of contest as to the mineral or agricultural character of land, the testimony and proofs may be taken as herein provided on personal notice of at least ten days to the opposing party; or if such party cannot be found, then by publication of at least once a week for thirty days in a newspaper, to be designated by the register of the land office as published nearest to the location of such land; and the register shall require proof that such notice has been given.
