(2) All loans, credits, guarantees, and currency swaps to Mexico from the Exchange Stabilization Fund or the Federal Reserve System are adequately backed to ensure that all United States funds are repaid.

(5) The Executive Branch has provided the documents requested by House Resolution 80 adopted March 1, 1995, and described in paragraphs (1) through (28) of that Resolution. All documents identified as responsive to the Resolution have been provided to the entire House of Representatives. Pursuant to the terms of the Resolution, the Executive Branch has not provided those documents as to which the Executive Branch has informed the House that it would be inconsistent with the public interest to provide the documents to the House. Pursuant to arrangements for safekeeping of classified materials in House facilities, classified documents have been provided to the House by making them available either at designated, secure House facilities or at Executive Branch facilities. Each agency, including the Federal Reserve Board, has advised the House of the procedures employed by that agency to provide the documents requested by House Resolution 80.

I have been informed that the Board of Governors of the Federal Reserve System has provided the documents requested by House Resolution 80 and described in paragraphs (1) through (28) of that Resolution.
