(3) providing assistance by grant rather than procurement contract or by procurement contract rather than by grant; and

(4) accountability for, or the disposition of, records, property, or structures acquired or constructed with assistance from the Government when common regulations are established for the project.

(b) To make easier the processing of applications for assistance, the head of an executive agency may provide for review of proposals for a project by one panel, board, or committee where reviews by separate panels, boards, or committees are not specifically required by law.

(c) Notwithstanding a requirement that one public agency or a specific public agency be established or designated to carry out or supervise that part of the assistance from the Government under an assistance program for a jointly financed project, the head of the executive agency carrying out the program may waive the requirement when—

(2)(A) the waiver is requested by the head of a unit of general government certifying jurisdiction over the public agencies concerned; or

(B) the State or local public agencies concerned agree to the waiver.
