

**(d) Deauthorization; congressional review****(1) In general**

After the expiration of the 180-day period beginning on the date of submission of the final deauthorization list and appendix under subsection (c), a project or separable element of a project identified in the final deauthorization list is hereby deauthorized, unless Congress passes a joint resolution disapproving the final deauthorization list prior to the end of such period.

**(2) Non-Federal contributions****(A) In general**

A project or separable element of a project identified in the final deauthorization list under subsection (c) shall not be deauthorized under this subsection if, before the expiration of the 180-day period referred to in paragraph (1), the non-Federal interest for the project or separable element of the project provides sufficient funds to complete the project or separable element of the project.

**(B) Treatment of projects**

Notwithstanding subparagraph (A), each project and separable element of a project identified in the final deauthorization list shall be treated as deauthorized for purposes of the aggregate deauthorization amount specified in subsection (c)(2)(A).

**(3) Projects identified in appendix**

A project or separable element of a project identified in the appendix to the final deauthorization list shall remain subject to future deauthorization by Congress.

**(e) Special rule for projects receiving funds for post-authorization study**

A project or separable element of a project may not be identified on the interim deauthorization list developed under subsection (b), or the final deauthorization list developed under subsection (c), if the project or separable element received funding for a post-authorization study during the current fiscal year or any of the 6 preceding fiscal years.

**(f) General provisions****(1) Definitions**

In this section, the following definitions apply:

**(A) Post-authorization study**

The term “post-authorization study” means—

- (i) a feasibility report developed under section 2282 of this title;
- (ii) a feasibility study, as defined in section 2215(d) of this title; or
- (iii) a review conducted under section 549a of this title, including an initial appraisal that—

- (I) demonstrates a Federal interest; and
- (II) requires additional analysis for the project or separable element.

**(B) Water resources development project**

The term “water resources development project” includes an environmental infra-

structure assistance project or program of the Corps of Engineers.

**(2) Treatment of project modifications**

For purposes of this section, if an authorized water resources development project or separable element of the project has been modified by an Act of Congress, the date of the authorization of the project or separable element shall be deemed to be the date of the most recent modification.
