

§ 2224. Crediting authority for federally authorized navigation projects

A non-Federal interest may carry out operation and maintenance activities for an authorized navigation project, subject to the condition that the non-Federal interest complies with all Federal laws and regulations applicable to such operation and maintenance activities, and may receive credit for the costs incurred by the non-Federal interest in carrying out such activities towards the share of construction costs of that non-Federal interest for another element of the same project or another authorized navigation project, except that in no instance may such credit exceed 20 percent of the total costs associated with construction of the general navigation features of the project for which such credit may be applied pursuant to this section.

§ 2225. Credit in lieu of reimbursement

(a) Requests for credits

With respect to an authorized flood damage reduction project, or separable element thereof, for which a written agreement with the Corps of Engineers for construction was finalized on or before December 31, 2014, under section 701b–13 of this title (as it existed before the repeal made by section 1014(c)(3)),¹ the Secretary may provide to the non-Federal interest, at the request of the non-Federal interest, a credit in an amount equal to the estimated Federal share of the cost of the project or separable element, in lieu of providing to the non-Federal interest a reimbursement in that amount.

(b) Application of credits

At the request of the non-Federal interest, the Secretary may apply such credit to the non-Federal share of the cost of carrying out other water resources development projects or studies of the non-Federal interest.

REFERENCES IN TEXT

Section 1014(c)(3), referred to in subsec. (a), means section 1014(c)(3) of Pub. L. 113–121, title I, June 10, 2014, 128 Stat. 1222, which repealed section 701b–13 of this title.

AMENDMENTS

2016—Subsec. (a). Pub. L. 114–322, §1171(1), substituted “for which a written agreement with the Corps of Engineers for construction was finalized on or before December 31, 2014, under section 701b–13 of this title (as it existed before the repeal made by section 1014(c)(3))” for “that has been constructed by a non-Federal interest under section 701b–13 of this title before June 10, 2014”.

Subsec. (b). Pub. L. 114–322, §1171(2), substituted “non-Federal share of the cost of carrying out other

water resources development projects or studies of the non-Federal interest” for “share of the cost of the non-Federal interest of carrying out other flood damage reduction projects or studies”.

§ 2226. Water resources projects on Federal land

(a) In general

Subject to subsection (b), the Secretary may carry out an authorized water resources development project on Federal land that is under the administrative jurisdiction of another Federal agency where the cost of the acquisition of such Federal land has been paid for by the non-Federal interest for the project.

(b) MOU required

The Secretary may carry out a project pursuant to subsection (a) only after the non-Federal interest has entered into a memorandum of understanding with the Federal agency that includes such terms and conditions as the Secretary determines to be necessary.

(c) Applicability

Nothing in this section alters any non-Federal cost-sharing requirements for the project.
