

the Water Resources Development Act of 1986 which comprises this chapter.

“SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 2 of Pub. L. 113–121, set out as a note under section 2201 of this title.

§ 2255. Inland waterways riverbank stabilization

(a) In general

Not later than 1 year after June 10, 2014, and biennially thereafter, the Secretary shall conduct a study to determine the feasibility of—

- (1) carrying out projects for the inland and intracoastal waterways for purposes of—
 - (A) flood damage reduction;
 - (B) emergency streambank and shoreline protection; and
 - (C) prevention and mitigation of shore damages attributable to navigation improvements; and
- (2) modifying projects for the inland and intracoastal waterways for the purpose of improving the quality of the environment.

(b) Recommendations

In conducting the study, the Secretary shall develop specific project recommendations and prioritize those recommendations based on—

- (1) the extent of damage and land loss resulting from riverbank erosion;
- (2) the rate of erosion;
- (3) the significant threat of future flood risk to public property, public infrastructure, or public safety;
- (4) the destruction of natural resources or habitats; and
- (5) the potential cost savings for maintenance of the channel.

(c) Disposition

The Secretary may carry out any project identified in the study conducted pursuant to subsection (a) in accordance with the criteria for projects carried out under one of the following authorities:

- (1) Section 701r of this title.
- (2) Section 701s of this title.
- (3) Section 426i of this title.
- (4) Section 2309a of this title.

(d) Annual report

For a project recommended pursuant to the study that cannot be carried out under any of the authorities specified in subsection (c), upon a determination by the Secretary of the feasibility of the project, the Secretary may include a recommendation concerning the project in the annual report submitted to Congress under section 2282d of this title.

SUBCHAPTER IV—WATER RESOURCES STUDIES

§ 2261. Territories development study

The Secretary is hereby authorized and directed to make studies in cooperation with the Secretary of the Interior and the governments of the Virgin Islands, Guam, American Samoa, the Trust Territory of the Pacific Islands, and the Commonwealth of the Northern Mariana Islands for the purposes of providing plans for the development, utilization, and conservation of water and related land resources of such jurisdiction, at a total cost of \$2,000,000 for each of the five studies. Such studies shall include appropriate consideration of the needs for flood protection, wise use of flood plain lands, navigation facilities, hydroelectric power generation, regional water supply and waste water management facilities systems, general recreation facilities, enhancement and control of water quality, enhancement and conservation of fish and wildlife, and other measures for environmental enhancement, economic and human resources development. Such studies shall be compatible with comprehensive development plans formulated by local planning agencies and other interested Federal agencies. Any funds made available under this section for a study for any such jurisdiction which is not needed for such study shall be available to the Secretary to construct authorized water resources projects in such jurisdiction and to implement the findings of such study with appropriate cost sharing as provided in this Act.

§ 2262. Survey of potential for use of certain facilities as hydroelectric facilities

(a) Survey authority

The Secretary shall, upon the request of local public officials, survey the potential and methods for rehabilitating former industrial sites, millraces, and similar types of facilities already constructed for use as hydroelectric facilities. The Secretary shall, upon request, provide technical assistance to local public agencies, including electric cooperatives, in designing projects to rehabilitate sites that have been surveyed, or are qualified for such survey, under this section. The non-Federal share of the cost of carrying out this section shall be 50 percent.

(b) Authorization of appropriations

There is authorized to be appropriated to the Secretary, to implement this section, the sum of \$5,000,000 for each of the fiscal years ending Sep-
