

sion and jurisdictional determination made by the Secretary, including documentation supporting the basis of the decision or determination.

**(2) Archiving of information**

The Secretary shall explore and implement an appropriate mechanism for archiving records of permit decisions and jurisdictional determinations, including documentation supporting the basis of the decisions and determinations, after the 5-year maintenance period described in paragraph (1).

**(e) Availability of determinations**

**(1) In general**

The Secretary shall make the records of all permit decisions and jurisdictional determinations made by the Secretary available to the public for review and reproduction.

**(2) Protection of information**

The Secretary shall provide for the protection of personal, private, privileged, confidential, and proprietary information, and information the disclosure of which is prohibited by law, which may be excluded from disclosure.

**(f) Deadline for electronic system implementation**

**(1) In general**

The Secretary shall develop and implement, to the maximum extent practicable, the electronic system required under subsection (a) not later than 2 years after December 16, 2016.

**(2) Report on electronic system implementation**

Not later than 180 days after the expiration of the deadline under paragraph (1), the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report describing the measures implemented and barriers faced in carrying out this section.

**(g) Applicability**

The requirements described in subsections (c), (d), and (e) shall apply to permit applications and requests for jurisdictional determinations submitted to the Secretary after December 16, 2016.

**(h) Limitation**

This section shall not preclude the submission to the Secretary, acting through the Chief of Engineers, of a physical copy of a permit application or a request for a jurisdictional determination.
