

Presidential Proclamation No. 5928, referred to in par. (13), is set out under section 1331 of Title 43, Public Lands.

AMENDMENTS

2010—Par. (9)(B). Pub. L. 111-330 made technical amendment to reference in original act which appears in text as reference to section 3802(b)(2) of this title.

EFFECTIVE DATE OF 2010 AMENDMENT

Pub. L. 111-330, §1, Dec. 22, 2010, 124 Stat. 3569, provided that the amendment made by section 1(19) is effective with the enactment of Pub. L. 111-281.

§ 3802. Covered vessels

(a) Included vessel

Except as provided in subsection (b), after the Convention enters into force for the United States, the following vessels are subject to the requirements of this chapter:

(1) A vessel documented under chapter 121 of title 46 or one operated under the authority of the United States, wherever located.

(2) Any vessel permitted by a Federal agency to operate on the Outer Continental Shelf.

(3) Any other vessel when—

(A) in the internal waters of the United States;

(B) in any port, shipyard, offshore terminal, or other place in the United States;

(C) lightering in the territorial sea; or

(D) to the extent consistent with international law, anchoring in the territorial sea of the United States.

(b) Excluded vessels

(1) In general

The following vessels are not subject to the requirements of this chapter:

(A) Any warship, naval auxiliary, or other vessel owned or operated by a foreign state, and used, for the time being, only on government noncommercial service.

(B) Except as provided in paragraph (2), any warship, naval auxiliary, or other vessel owned or operated by the United States and used for the time being only on government noncommercial service.

(2) Application to United States government vessels

(A) In general

The Administrator may apply any requirement of this chapter to one or more classes of vessels described in paragraph (1)(B), if the head of the Federal department or agency under which those vessels operate concurs in that application.

(B) Limitation for combat-related vessel

Subparagraph (A) shall not apply to combat-related vessels.

SUBCHAPTER II—IMPLEMENTATION OF THE CONVENTION

§ 3821. Certificates

(a) Certificate required

On entry into force of the Convention for the United States, any vessel of at least 400 gross tons that engages in one or more international

voyages (except fixed or floating platforms, FSUs, and FPSOs) shall carry an International Antifouling System Certificate.

(b) Issuance of Certificate

On entry into force of the Convention, on a finding that a successful survey required by the Convention has been completed, a vessel of at least 400 gross tons that engages in at least one international voyage (except fixed or floating platforms, FSUs, and FPSOs) shall be issued an International Antifouling System Certificate. The Secretary may issue the Certificate required by this section. The Secretary may delegate this authority to an organization that the Secretary determines is qualified to undertake that responsibility.

(c) Maintenance of Certificate

The Certificate required by this section shall be maintained as required by the Secretary.

(d) Certificates issued by other party countries

A Certificate issued by any country that is a party to the Convention has the same validity as a Certificate issued by the Secretary under this section.

(e) Vessels of nonparty countries

Notwithstanding subsection (a), a vessel of at least 400 gross tons, having the nationality of or entitled to fly the flag of a country that is not a party to the Convention, may demonstrate compliance with this chapter through other appropriate documentation considered acceptable by the Secretary.

§ 3822. Declaration

(a) Requirements

On entry into force of the Convention for the United States, a vessel of at least 24 meters in length, but less than 400 gross tons engaged on an international voyage (except fixed or floating platforms, FSUs, and FPSOs) must carry a declaration described in subsection (b) that is signed by the owner or owner’s authorized agent. That declaration shall be accompanied by appropriate documentation, such as a paint receipt or a contractor invoice, or contain an appropriate endorsement.

(b) Content of declaration

The declaration must contain a clear statement that the antifouling system on the vessel complies with the Convention. The Secretary may prescribe the form and other requirements of the declaration.

(Pub. L. 111-281, title X, §1022, Oct. 15, 2010, 124 Stat. 3026.)

§ 3823. Other compliance documentation

In addition to the requirements under sections 3821 and 3822 of this title, the Secretary may re-

quire vessels to hold other documentation considered necessary to verify compliance with this chapter.

§ 3824. Process for considering additional controls

(a) Actions by Administrator

The Administrator may—

(1) participate in the technical group described in Article 7 of the Convention, and in any other body convened pursuant to the Convention for the consideration of new or additional controls on antifouling systems;

(2) evaluate any risks of adverse effects on nontarget organisms or human health presented by a given antifouling system such that the amendment of annex 1 of the Convention may be warranted;

(3) undertake an assessment of relevant environmental, technical, and economic considerations necessary to evaluate any proposals for new or additional controls of antifouling systems under the Convention, including benefits in the United States and elsewhere associated with the production and use in the United States and elsewhere, of the subject antifouling system; and

(4) develop recommendations based on that assessment.

(b) Referrals to technical group

(1) Convening of Shipping Coordinating Committee

On referral of any antifouling system to the technical group described in article 7 of the Convention for consideration of new or additional controls, the Secretary of State shall convene a public meeting of the Shipping Coordinating Committee for the purpose of receiving information and comments regarding controls on such antifouling system. The Secretary of State shall publish advance notice of such meeting in the Federal Register and on the State Department’s Web site. The Administrator shall assemble and maintain a public docket containing notices pertaining to that meeting, any comments responding to those notices, the minutes of that meeting, and materials presented at that meeting.

(2) Report by technical group

The Administrator shall promptly make any report by the technical group described in the Convention available to the public through the docket established pursuant to subsection (b) and announce the availability of that report in the Federal Register. The Administrator shall provide an opportunity for public comment on the report for a period of not less than 30 days from the time the availability of the report is announced in the Federal Register.
