(i)(1) The total amount of pay and allowances paid under subsections (g) and (h) and compensation paid under section 206(a) of this title for any period may not exceed the amount of pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for that period.

(2) Pay and allowances may not be paid under subsection (g) or (h) for a period of more than six months. The Secretary concerned may extend such period in any case if the Secretary determines that it is in the interests of fairness and equity to do so.

[The citations to section 232(d) of existing title 37, above, are to the language of subsection (d) set forth in the codification note under section 232, rather than that erroneously set forth in the text of the section.]

In subsection (a), the last 27 words are substituted for the words “or performance of the duties provided for by sections 5, 81, 94, 97 and 99 of the National Defense Act, as amended,” to reflect the current citations. So much of the introductory clause as follows the exception is substituted for the 36 words preceding 1st proviso of 1st sentence of section 232(d) of existing title 37. The words “on the active list” are omitted as covered by the words “active duty” as defined in section 101(18) of this revised title. The words “(provided for or authorized in the National Defense Act, as amended, or in the Naval Reserve Act of 1938, as amended)” are omitted as covered by the words “provided by law”.

In subsection (b), the words “For the purposes of subsection (a)” are inserted for clarity. The words “active duty for a period of more than 30 days” are substituted for the words “extended active duty in excess of thirty days”. The words “call or” are inserted to conform to the words “called or”.

In subsection (c), the words “and allowances” are omitted, since, under chapter 7 of this revised title, entitlement to allowances depends upon entitlement to basic pay. The last sentence is substituted for the last 38 words of the 2d proviso of the 1st sentence of section 232(d) of existing title 37.

In subsection (d), the words “for the purposes of this section” are substituted for the words “and which entitles them to receive basic pay . . . in the service of the United States”. The words “pursuant to this section” are omitted as surplusage.
