Section 503 of the Vietnam Era Veterans' Readjustment Assistance Act of 1972 (Public Law 92-540; 86 Stat. 1097) added a new section 2012 [now 4212] to Title 38 of the United States Code which, in effect, provides statutory authority to extend the program developed under that order with respect to Government contractors and their subcontractors.

The Secretary of Labor shall gather information on the effectiveness of the program established under this order and Section 2012 [now 4212] of Title 38 of the United States Code and of the extent to which the employment service system is fulfilling the employment needs of veterans. The Secretary of Labor shall, from time to time, report to the President concerning his evaluation of the effectiveness of this order along with his recommendations for further action which the Secretary believes to be appropriate.

SEC. 4. Appropriate departments and agencies shall, in consultation with the Secretary of Labor, issue such amendments or additions to procurement rules and regulations as may be necessary to carry out the purposes of this order and Section 2012 [now 4212] of Title 38 of the United States Code.
