(B) adopts workplace practices, configurations, and management techniques that can achieve increased levels of productivity and decrease the need for real property assets;

(C) assesses leased space to identify space that is not fully used or occupied;

(D) develops recommendations on how to address excess capacity at Postal Service facilities without negatively impacting mail delivery; and

(E) develops recommendations on ensuring the security of mail processing operations; and

(4) if the Postal Service develops a template under paragraph (3) shall, as part of that template and on a regular basis—

(A) conduct an inventory of postal property that is real property; and

(B) publish a report that covers each property identified under subparagraph (A), similar to the USPS Owned Facilities Report and the USPS Leased Facilities Report, that includes—

(i) the date on which the Postal Service first occupied the property;

(ii) the size of the property in square footage and acreage;

(iii) the geographical location of the property, including an address and description;

(iv) the extent to which the property is being utilized;

(v) the actual annual operating costs associated with the property;

(vi) the total cost of capital expenditures associated with the property;

(vii) the number of postal employees, contractor employees, and functions housed at the property;

(viii) the extent to which the mission of the Postal Service is dependent on the property; and

(ix) the estimated amount of capital expenditures projected to maintain and operate the property over each of the next 5 years after the date of enactment of this chapter.

(b) RULE OF CONSTRUCTION.—Nothing in subsection (a)(4)(B) shall be construed to require the Postal Service to obtain an appraisal of postal property.
