(2) It is the intent of the Congress that such official business, activities, and duties cover all matters which directly or indirectly pertain to the legislative process or to any congressional representative functions generally, or to the functioning, working, or operating of the Congress and the performance of official duties in connection therewith, and shall include, but not be limited to, the conveying of information to the public, and the requesting of the views of the public, or the views and information of other authority of government, as a guide or a means of assistance in the performance of those functions.
