(ii) Report by the Assistant Secretary for Children and Families

(I) In general

Not later than September 30 of the first full fiscal year after November 19, 2014, and September 30 of each fiscal year thereafter, the Secretary (acting through the Assistant Secretary for Children and Families of the Department of Health and Human Services) shall prepare a report that contains a determination about whether each State uses amounts provided to such State for the fiscal year involved under this subchapter in accordance with the priority for services described in clause (i).

(II) Penalty for noncompliance

For any fiscal year that the report of the Secretary described in subclause (I) indicates that a State has failed to give priority for services in accordance with clause (i), the Secretary shall—

(aa) inform the State that the State has until the date that is 6 months after the Secretary has issued such report to fully comply with clause (i);

(bb) provide the State an opportunity to modify the State plan of such State, to make the plan consistent with the requirements of clause (i), and resubmit such State plan to the Secretary not later than the date described in item (aa); and

(cc) if the State does not fully comply with clause (i) and item (bb), by the date described in item (aa), withhold 5 percent of the funds that would otherwise be allocated to that State in accordance with this subchapter for the first full fiscal year after that date.

(III) Waiver for extraordinary circumstances

Notwithstanding subclause (II) the Secretary may grant a waiver to a State for one year to the penalty applied in subclause (II) if the Secretary determines there are extraordinary circumstances, such as a natural disaster, that prevent the State from complying with clause (i). If the Secretary does grant a waiver to a State under this section, the Secretary shall, within 30 days of granting such waiver, submit a report to the appropriate congressional committees on the circumstances of the waiver including the stated reason from the State on the need for a waiver, the expected impact of the waiver on children served under this program, and any such other relevant information the Secretary deems necessary.

(iii) Child care resource and referral system

(I) In general

A State may use amounts described in clause (i) to establish or support a system of local or regional child care resource and referral organizations that is

coordinated, to the extent determined appropriate by the State, by a statewide public or private nonprofit, community-based or regionally based, lead child care resource and referral organization.

(II) Local or regional organizations

The local or regional child care resource and referral organizations supported as described in subclause (I) shall—

(aa) provide parents in the State with consumer education information referred to in paragraph (2)(E) (except as otherwise provided in that paragraph), concerning the full range of child care options (including faith-based and community-based child care providers), analyzed by provider, including child care provided during non-traditional hours and through emergency child care centers, in their political subdivisions or regions;

(bb) to the extent practicable, work directly with families who receive assistance under this subchapter to offer the families support and assistance, using information described in item (aa), to make an informed decision about which child care providers they will use, in an effort to ensure that the families are enrolling their children in the most appropriate child care setting to suit their needs and one that is of high quality (as determined by the State);

(cc) collect data and provide information on the coordination of services and supports, including services under section 619 and part C of the Individuals with Disabilities Education Act [20 U.S.C. 1419, 1431 et seq.], for children with disabilities (as defined in section 602 of such Act (20 U.S.C. 1401));

(ff) as appropriate, coordinate their activities with the activities of the State lead agency and local agencies that administer funds made available in accordance with this subchapter.

(C) Limitation on administrative costs

Not more than 5 percent of the aggregate amount of funds available to the State to carry out this subchapter by a State in each fiscal year may be expended for administrative costs incurred by such State to carry out all of its functions and duties under this subchapter. As used in the preceding sentence, the term “administrative costs” shall

not include the costs of providing direct services.

(D) Assistance for certain families

A State shall ensure that a substantial portion of the amounts available (after the State has complied with the requirement of section 418(b)(2) of the Social Security Act [42 U.S.C. 618(b)(2)] with respect to each of the fiscal years 2015 through 2020⁸ to the State to carry out activities under this subchapter in each fiscal year is used to provide assistance to low-income working families including or in addition to families with children described in clause (i), (ii), (iii), or (iv) of paragraph (2)(M).

(E) Direct services

From amounts provided to a State for a fiscal year to carry out this subchapter, the State shall—

(ii) from the remainder, use not less than 70 percent to fund direct services (provided by the State) in accordance with paragraph (2)(A).

(4) Payment rates

(A) In general

The State plan shall certify that payment rates for the provision of child care services for which assistance is provided in accordance with this subchapter are sufficient to ensure equal access for eligible children to child care services that are comparable to child care services in the State or substate area involved that are provided to children whose parents are not eligible to receive assistance under this subchapter or to receive child care assistance under any other Federal or State program, and shall provide a summary of the facts relied on by the State to determine that such rates are sufficient to ensure such access.

(B) Survey

The State plan shall—

(i) demonstrate that the State has, after consulting with the State Advisory Council on Early Childhood Education and Care designated or established in section 642B(b)(1)(A)(i) of the Head Start Act (42 U.S.C. 9837b(b)(1)(A)(i)), local child care program administrators, local child care resource and referral agencies, and other appropriate entities, developed and conducted (not earlier than 2 years before the date of the submission of the application containing the State plan) a statistically valid and reliable survey of the market rates for child care services in the State (that reflects variations in the cost of child care services by geographic area, type of provider, and age of child) or an alternative methodology, such as a cost estimation model, that has been developed by the State lead agency;

(ii) demonstrate that the State prepared a detailed report containing the results of the State market rates survey or alternative methodology conducted pursuant to clause (i), and made the results of the survey or alternative methodology widely available (not later than 30 days after the completion of such survey or alternative methodology) through periodic means, including posting the results on the Internet;

(iii) describe how the State will set payment rates for child care services, for which assistance is provided in accordance with this subchapter—

(I) in accordance with the results of the market rates survey or alternative methodology conducted pursuant to clause (i);

(II) taking into consideration the cost of providing higher quality child care services than were provided under this subchapter before November 19, 2014; and

(III) without, to the extent practicable, reducing the number of families in the State receiving such assistance to carry out this subchapter, relative to the number of such families on November 19, 2014; and

(iv) describe how the State will provide for timely payment for child care services provided under this subchapter.

(C) Construction

(i) No private right of action

Nothing in this paragraph shall be construed to create a private right of action if the State acted in accordance with this paragraph.

(ii) No prohibition of certain different rates

Nothing in this subchapter shall be construed to prevent a State from differentiating the payment rates described in subparagraph (B)(iii) on the basis of such factors as—

(I) geographic location of child care providers (such as location in an urban or rural area);

(II) the age or particular needs of children (such as the needs of children with disabilities and children served by child protective services);

(III) whether the providers provide child care services during weekend and other nontraditional hours; or

(IV) the State's determination that such differentiated payment rates may enable a parent to choose high-quality child care that best fits the parent's needs.

(5) Sliding fee scale

The State plan shall provide that the State will establish and periodically revise, by rule, a sliding fee scale that provides for cost sharing (that is not a barrier to families receiving assistance under this subchapter) by the families that receive child care services for which assistance is provided under this subchapter.

(d) Approval of application

The Secretary shall approve an application that satisfies the requirements of this section.
