(B) Minimum payments

(i) Any applicant with an eligible claim described in subsection (c)(2) who has received, or is entitled or scheduled to receive, any payment that is equal to, or in excess of, 30 percent of the total compensatory damages owed to such applicant on the applicant's claim from any source other than this Fund shall not receive any payment from the Fund until such time as all other eligible applicants have received from the Fund an amount equal to 30 percent of the compen-

For purposes of calculating the pro rata amounts for these payments, the Special Master shall not include the total compensatory damages for applicants excluded from payment by this subparagraph.

(ii) To the extent that an applicant with an eligible claim has received less than 30 percent of the compensatory damages owed that applicant under a final judgment or claim described in subsection (c)(2) from any source other than this Fund, such applicant may apply to the Special Master for the difference between the percentage of compensatory damages the applicant has received from other sources and the percentage of compensatory damages to be awarded other eligible applicants from the Fund.

(4) Additional payments

Such portion shall not exceed the difference between the amount of the conditional payment and the amount the Special Master anticipates such claimant will receive from the proceeds of *In Re 650 Fifth Avenue & Related Properties*.
