SUBCHAPTER II—ADDITIONAL MEASURES TO COMBAT CHILD EXPLOITATION

§ 17631. Additional regional computer forensic labs

(a) Additional resources

The Attorney General shall establish additional computer forensic capacity to address the current backlog for computer forensics, including for child exploitation investigations. The Attorney General may utilize funds under this subchapter to increase capacity at existing regional forensic laboratories or to add laboratories under the Regional Computer Forensic Laboratories Program operated by the Federal Bureau of Investigation.

(b) Purpose of new resources

The additional forensic capacity established by resources provided under this section shall be dedicated to assist Federal agencies, State and local Internet Crimes Against Children task forces, and other Federal, State, and local law enforcement agencies in preventing, investigating, and prosecuting Internet crimes against children.

(c) New computer forensic labs

If the Attorney General determines that new regional computer forensic laboratories are required under subsection (a) to best address existing backlogs, such new laboratories shall be established pursuant to subsection (d).

(d) Location of new labs

The location of any new regional computer forensic laboratories under this section shall be determined by the Attorney General, in consultation with the Director of the Federal Bureau of Investigation, the Regional Computer Forensic Laboratory National Steering Committee, and other relevant stakeholders.

(e) Report

Not later than 1 year after October 13, 2008, and every year thereafter, the Attorney General
