

ing license for a testing facility, any application under subsection (a) or (c) of section 2134 of this title specifically referred to it by the Commission, and any application for an amendment to a construction permit or an amendment to an operating license under section 2133 or 2134(a), (b), or (c) of this title specifically referred to it by the Commission, and shall submit a report thereon which shall be made part of the record of the application and available to the public except to the extent that security classification prevents disclosure.

(c) Commercial power; publication

The Commission shall not issue any license under section 2133 of this title for a utilization or production facility for the generation of commercial power until it has given notice in writing to such regulatory agency as may have jurisdiction over the rates and services incident to the proposed activity; until it has published notice of the application in such trade or news publications as the Commission deems appropriate to give reasonable notice to municipalities, private utilities, public bodies, and cooperatives which might have a potential interest in such utilization or production facility; and until it has published notice of such application once each week for four consecutive weeks in the Federal Register, and until four weeks after the last notice.

(d) Preferred consideration

The Commission, in issuing any license for a utilization or production facility for the generation of commercial power under section 2133 of this title, shall give preferred consideration to applications for such facilities which will be located in high cost power areas in the United States if there are conflicting applications for a limited opportunity for such license. Where such conflicting applications resulting from limited opportunity for such license include those submitted by public or cooperative bodies such applications shall be given preferred consideration.

AMENDMENTS

1970—Subsec. (c). Pub. L. 91-560 substituted provisions requiring notification by publication giving reasonable notice to municipalities, private utilities, public bodies, and cooperatives which might have a potential interest in such utilization or production facility, for provisions requiring notice in writing to municipalities, private utilities, public bodies and cooperatives within transmission distance authorized to engage in the distribution of electric energy.

1962—Subsec. (b). Pub. L. 87-615 substituted provisions requiring review of applications under section 2133 or 2134(b) of this title for a construction permit or an operating license for a facility, or under section 2134(c) of this title for a testing facility, for provisions which required review of license applications for such facilities, and inserted provisions requiring review of any application for an amendment to a construction

permit or operating license under section 2133 or 2134(a), (b), or (c) of this title specifically referred to it by the Commission.

1957—Subsecs. (b) to (d). Pub. L. 85-256 added subsec. (b) and redesignated former subsecs. (b) and (c) as (c) and (d), respectively.

1956—Subsec. (a). Act Aug. 6, 1956, struck out “under oath or affirmation” from last sentence, and inserted two sentences at end requiring applications and statements in connection with sections 2133 and 2134 to be made under oath or affirmation and authorizing Commission to require any other applications or statements to be made under oath or affirmation.

TERMINATION OF ADVISORY COMMITTEES

Advisory committees in existence on Jan. 5, 1973, to terminate not later than the expiration of the 2-year period following Jan. 5, 1973, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. See section 14 of Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 2233. Terms of licenses

Each license shall be in such form and contain such terms and conditions as the Commission may, by rule or regulation, prescribe to effectuate the provisions of this chapter, including the following provisions:

(a) Repealed. Pub. L. 88-489, §18, Aug. 26, 1964, 78 Stat. 607.

(b) No right to the special nuclear material shall be conferred by the license except as defined by the license.

(c) Neither the license nor any right under the license shall be assigned or otherwise transferred in violation of the provisions of this chapter.

(d) Every license issued under this chapter shall be subject to the right of recapture or control reserved by section 2138 of this title, and to all of the other provisions of this chapter, now or hereafter in effect and to all valid rules and regulations of the Commission.
