

active waste, including depleted uranium if it were ultimately determined to be low-level radioactive waste, generated by—

(A) the Corporation as a result of the operations of the gaseous diffusion plants or as a result of the treatment of such wastes at a location other than the gaseous diffusion plants, or

(B) any person licensed by the Nuclear Regulatory Commission to operate a uranium enrichment facility under sections 2073, 2093, and 2243 of this title.

(2) Except as provided in paragraph (3), the generator shall reimburse the Secretary for the disposal of low-level radioactive waste pursuant to paragraph (1) in an amount equal to the Secretary's costs, including a pro rata share of any capital costs, but in no event more than an amount equal to that which would be charged by commercial, State, regional, or interstate compact entities for disposal of such waste.

(3) In the event depleted uranium were ultimately determined to be low-level radioactive waste, the generator shall reimburse the Secretary for the disposal of depleted uranium pursuant to paragraph (1) in an amount equal to the Secretary's costs, including a pro rata share of any capital costs.

(4) In the event that a licensee requests the Secretary to accept for disposal depleted uranium pursuant to this subsection, the Secretary shall be required to take title to and possession of such depleted uranium at an existing DUF6 storage facility.

(b) Agreements with other persons

The generator may also enter into agreements for the disposal of low-level radioactive waste subject to subsection (a) with any person other than the Secretary that is authorized by applicable laws and regulations to dispose of such wastes.

(c) State or interstate compacts

Notwithstanding any other provision of law, no State or interstate compact shall be liable for the treatment, storage, or disposal of any low-level radioactive waste (including mixed waste) attributable to the operation, decontamination, and decommissioning of any uranium enrichment facility.

CODIFICATION

Section was enacted as part of the USEC Privatization Act and also as part of the Omnibus Consolidated Rescissions and Appropriations Act of 1996, and not as part of the Atomic Energy Act of 1954 which comprises this chapter.

AMENDMENTS

2004—Subsec. (a)(4). Pub. L. 108-447, §311, which directed the addition of par. (4) to subsec. (a) of section 3113 of Public Law 102-486 (42 U.S.C. 2297h-11), was executed by adding par. (4) to subsec. (a) of this section, which is section 3113 of Pub. L. 104-134, to reflect the probable intent of Congress.

§ 2297h-12. AVLIS

(a) Exclusive right to commercialize

The Corporation shall have the exclusive commercial right to deploy and use any AVLIS pat-

ents, processes, and technical information owned or controlled by the Government, upon completion of a royalty agreement with the Secretary.

(b) Transfer of related property to Corporation

(1) In general

To the extent requested by the Corporation and subject to the requirements of the Atomic Energy Act of 1954 (42 U.S.C. 2011, et seq.), the President shall transfer without charge to the Corporation all of the right, title, or interest in and to property owned by the United States under control or custody of the Secretary that is directly related to and materially useful in the performance of the Corporation's purposes regarding AVLIS and alternative technologies for uranium enrichment, including—

(A) facilities, equipment, and materials for research, development, and demonstration activities; and

(B) all other facilities, equipment, materials, processes, patents, technical information of any kind, contracts, agreements, and leases.

(2) Exception

Facilities, real estate, improvements, and equipment related to the gaseous diffusion, and gas centrifuge, uranium enrichment programs of the Secretary shall not transfer under paragraph (1)(B).

(3) Expiration of transfer authority

The President's authority to transfer property under this subsection shall expire upon the privatization date.

(c) Liability for patent and related claims

With respect to any right, title, or interest provided to the Corporation under subsection (a) or (b), the Corporation shall have sole liability for any payments made or awards under section 157b.(3) of the Atomic Energy Act of 1954 (42 U.S.C. 2187(b)(3)), or any settlements or judgments involving claims for alleged patent infringement. Any royalty agreement under subsection (a) of this section shall provide for a reduction of royalty payments to the Secretary to offset any payments, awards, settlements, or judgments under this subsection.

§ 2297h-13. Application of certain laws

(a) OSHA

(1) As of the privatization date, the private corporation shall be subject to and comply with

the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.).

(2) The Nuclear Regulatory Commission and the Occupational Safety and Health Administration shall, within 90 days after April 26, 1996, enter into a memorandum of agreement to govern the exercise of their authority over occupational safety and health hazards at the gaseous diffusion plants, including inspection, investigation, enforcement, and rulemaking relating to such hazards.

(b) Antitrust laws

For purposes of the antitrust laws, the performance by the private corporation of a "matched import" contract under the Suspension Agreement shall be considered to have occurred prior to the privatization date, if at the time of privatization, such contract had been agreed to by the parties in all material terms and confirmed by the Secretary of Commerce under the Suspension Agreement.

(c) Energy Reorganization Act requirements

(1) The private corporation and its contractors and subcontractors shall be subject to the provisions of section 5851 of this title to the same extent as an employer subject to such section.

(2) With respect to the operation of the facilities leased by the private corporation, section 5846 of this title shall apply to the directors and officers of the private corporation.

SUBCHAPTER I—GENERAL PROVISIONS

§ 2301. Congressional declaration of policy

It is declared to be the policy of the United States of America that Government ownership and management of the communities owned by the Atomic Energy Commission shall be terminated in an expeditious manner which is consistent with and will not impede the accomplishment of the purposes and programs established by the Atomic Energy Act of 1954 [42 U.S.C. 2011 et seq.]. To that end, it is desired at each community to—

(a) facilitate the establishment of local self-government;

(b) provide for the orderly transfer to local entities of municipal functions, municipal installations, and utilities; and
