§ 2297h-1. Sale of Corporation

(a) Authorization

The Board of Directors of the Corporation, with the approval of the Secretary of the Treasury, shall transfer the interest of the United States in the United States Enrichment Corporation to the private sector in a manner that provides for the long-term viability of the Corporation, provides for the continuation by the Corporation of the operation of the Department of Energy's gaseous diffusion plants, provides for the protection of the public interest in maintaining a reliable and economical domestic source of uranium mining, enrichment and conversion services, and, to the extent not inconsistent with such purposes, secures the maximum proceeds to the United States.

(b) Proceeds

Proceeds from the sale of the United States' interest in the Corporation shall be deposited in the general fund of the Treasury.

(Pub. L. 104-134, title III, §3103, Apr. 26, 1996, 110 Stat. 1321-336.)

CODIFICATION

Section was enacted as part of the USEC Privatization Act and also as part of the Omnibus Consolidated Rescissions and Appropriations Act of 1996, and not as part of the Atomic Energy Act of 1954 which comprises this chapter.

§ 2297h-2. Method of sale

(a) Authorization

The Board of Directors of the Corporation, with the approval of the Secretary of the Treasury, shall transfer ownership of the assets and obligations of the Corporation to the private corporation established under section 2297h-3 of this title (which may be consummated through a merger or consolidation effected in accordance with, and having the effects provided under, the law of the State of incorporation of the private

corporation, as if the Corporation were incorporated thereunder).

(b) Board determination

The Board, with the approval of the Secretary of the Treasury, shall select the method of transfer and establish terms and conditions for the transfer that will provide the maximum proceeds to the Treasury of the United States and will provide for the long-term viability of the private corporation, the continued operation of the gaseous diffusion plants, and the public interest in maintaining reliable and economical domestic uranium mining and enrichment industries.

(c) Adequate proceeds

The Secretary of the Treasury shall not allow the privatization of the Corporation unless before the sale date the Secretary of the Treasury determines that the method of transfer will provide the maximum proceeds to the Treasury consistent with the principles set forth in section 2297h-1(a) of this title.

(d) Application of securities laws

Any offering or sale of securities by the private corporation shall be subject to the Securities Act of 1933 (15 U.S.C. 77a et seq.), the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.), and the provisions of the Constitution and laws of any State, territory, or possession of the United States relating to transactions in securities.

(e) Expenses

Expenses of privatization shall be paid from Corporation revenue accounts in the United States Treasury.
