§ 2366. Conditions of indemnity; purchase of property by Commission

The Commission shall make the indemnity payment specified by section 2365 of this title only if the Commission receives a notice from the then owner of the property that he is about to sell the property for a sum less than the unpaid balance of the real or hypothetical loan calculated pursuant to such section. Such payment shall be made only if—

(a) notice is given to the Commission at a time when the conditions of section 2364 of this title are satisfied;

(b) the sale is made within such time as the Commission may prescribe and in a manner which the Commission determined to afford adequate assurance of a fair price without excessive costs; and

In such circumstances the Commission is authorized to purchase the property. Sales pursuant to this section and payment by the Commission of such amount, if any, as is owing pursuant to sections 2363 to 2366 of this title shall end the obligation of the Commission under sections 2363 to 2366 of this title with respect to that property.
