

(1) may acquire, without regard to section 8141 of title 40, by lease or otherwise through the Administrator of General Services, buildings or portions of buildings in the District of Columbia or communities located adjacent to the District of Columbia for use for a period not to exceed 10 years; and

(2) may acquire, construct, improve, repair, operate, and maintain laboratory, research, and other necessary facilities and equipment, and such other real or personal property (including patents) as the Secretary deems necessary.

(c) Provision of financial assistance

The Director, in carrying out this subchapter, may make grants to public and nonprofit entities and individuals, and may enter into cooperative agreements or contracts with public and private entities and individuals.

(d) Utilization of certain personnel and resources

(1) Department of Health and Human Services

The Director, in carrying out this subchapter, may utilize personnel and equipment, facilities, and other physical resources of the Department of Health and Human Services, permit appropriate (as determined by the Secretary) entities and individuals to utilize the physical resources of such Department, and provide technical assistance and advice.

(2) Other agencies

The Director, in carrying out this subchapter, may use, with their consent, the services, equipment, personnel, information, and facilities of other Federal, State, or local public agencies, or of any foreign government, with or without reimbursement of such agencies.

(e) Consultants

The Secretary, in carrying out this subchapter, may secure, from time to time and for such periods as the Director deems advisable but in accordance with section 3109 of title 5, the assistance and advice of consultants from the United States or abroad.

(f) Experts

(1) In general

The Secretary may, in carrying out this subchapter, obtain the services of not more than 50 experts or consultants who have appropriate scientific or professional qualifications. Such experts or consultants shall be obtained in accordance with section 3109 of title 5, except that the limitation in such section on the duration of service shall not apply.

(2) Travel expenses

(A) In general

Experts and consultants whose services are obtained under paragraph (1) shall be paid or reimbursed for their expenses associated with traveling to and from their assignment location in accordance with sections 5724, 5724a(a), 5724a(c), and 5726(c) of title 5.

(B) Limitation

Expenses specified in subparagraph (A) may not be allowed in connection with the

assignment of an expert or consultant whose services are obtained under paragraph (1) unless and until the expert agrees in writing to complete the entire period of assignment, or 1 year, whichever is shorter, unless separated or reassigned for reasons that are beyond the control of the expert or consultant and that are acceptable to the Secretary. If the expert or consultant violates the agreement, the money spent by the United States for the expenses specified in subparagraph (A) is recoverable from the expert or consultant as a statutory obligation owed to the United States. The Secretary may waive in whole or in part a right of recovery under this subparagraph.

(g) Voluntary and uncompensated services

The Director, in carrying out this subchapter, may accept voluntary and uncompensated services.

See section 299c-6 of this title.

§ 299c-6. Funding

(a) Intent

To ensure that the United States investment in biomedical research is rapidly translated into improvements in the quality of patient care, there must be a corresponding investment in research on the most effective clinical and organizational strategies for use of these findings in daily practice. The authorization levels in subsections (b) and (c) provide for a proportionate increase in health care research as the United States investment in biomedical research increases.

(b) Authorization of appropriations

For the purpose of carrying out this subchapter, there are authorized to be appropriated \$250,000,000 for fiscal year 2000, and such sums as may be necessary for each of the fiscal years 2001 through 2005.

(c) Evaluations

In addition to amounts available pursuant to subsection (b) for carrying out this subchapter, there shall be made available for such purpose, from the amounts made available pursuant to

section 238j of this title (relating to evaluations), an amount equal to 40 percent of the maximum amount authorized in such section 238j of this title to be made available for a fiscal year.

(d) Health disparities research

For the purpose of carrying out the activities under section 299a-1 of this title, there are authorized to be appropriated \$50,000,000 for fiscal year 2001, and such sums as may be necessary for each of the fiscal years 2002 through 2005.

(e) Patient safety and quality improvement

For the purpose of carrying out part C, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2006 through 2010.

SUBCHAPTER VIII—POPULATION RESEARCH AND VOLUNTARY FAMILY PLANNING PROGRAMS

§ 300. Project grants and contracts for family planning services

(a) Authority of Secretary

The Secretary is authorized to make grants to and enter into contracts with public or non-profit private entities to assist in the establishment and operation of voluntary family planning projects which shall offer a broad range of acceptable and effective family planning methods and services (including natural family planning methods, infertility services, and services for adolescents). To the extent practical, entities which receive grants or contracts under this subsection shall encourage family¹ participation in projects assisted under this subsection.

¹ So in original. Probably should be “family”.
